CRISIS FELT IN NEAR EAST

Constantinople, Sept. 14.—American submarine No. 96 has arrived here with reports of the appalling situation at Mudania, where the harbor is filled with the bodies of refugees who stampeded when the last vessel departed before the Turkish occupation.

Paris, Sept. 14.—Marshal Franchet d'Esperey considers the situation in the Near East very serious, he is quoted by the Echo de Paris as declaring.

London, Sept. 14.—The Eastern situation is causing considerable concern here. This is reflected in the editorial columns of the morning newspapers, some of which adopt a distinctly alarmist tone.

Elsewhere the fairly confident hope is expressed that France eventually will agree to co-operate with Great Britain, which has been created with upholding the letter of the Treaty of Sevres.

MRS. TARTOUE SUES HOTEL

Artist's Wife Sues Ansonia Employee Called Her Disreputable New York, Sept. 14.—Claudia Windsor Tartoue, wife of Pierre Tartoue, portrait painter, filed suit in the Supreme Court yesterday against the Hotel Ansonia Corporation for \$100,000 on the ground that William Grace, an employee, ordered her out on March 17 last, although she had conducted herself in a ladylike manner during the several months she had lived there.

Mrs. Tartoue charges that while she was ill in bed the hotel employe used improper language to her and called her a "disreputable" person, which aggravated her illness and compelled her removal to a hospital.
