GIRL, 15, WINS DANCE PRIZE; 'SCARED,' SHE 'CHEWED GUM

Pretty Lucy Boland, Champion, Doesn't Like to "Shimmy." The "Cake-Walk" Is Good, but Gosh! She Loves to Waltz

"Gash! I sure was scared. I was so nervous I kept right on chewing my gum."

This is the "confession" meekly made today by fifteen-year-old Lacy Boland. 1817 Callowbill street, who last night won the title of champion dancer of the city at the season's final municipal dance on the Parkway.

"First, we all danced together, and then the couples danced separately, then the same is smoothing her short, dirty little ping frock, stitched in black around the neck and sleeves, and showing a tendency to hang in dips and curves around the bottom.

the young children here?' And he threw his away, but I hid mine, and then kept on chewing. I wouldn't have done it if I hadn't been so scared. I wouldn't have and one of my sisters is married.' But I don't like to do any but

her title by just plain waitzing, awakened with the sound of the music still
humming in her ears, the twinkle of
the Parkway lights in here eyes and the
knowledge that she was due at the
mill where she is mplyede in fewer
minutes than it usually took her to get
dressed.

Doesn't know what Prize is
the was drawn straight back
from her forehead. Her gray eyes were
large and sweet, and her skin flawless
even in the bright streak of sunlight
streaming in through the window.

"No. I don't know what the prize
the said. "Somebody told me it doesn't like to "shimmy" and won her title by just plain waitzing, awakminutes than it usually took her to get dressed.

And her dancing partner, James Me-Garvey, twenty-five years old, 1939 Ralston street, probably at that time was peering into the engine of an automobile, his overalls greasy and his face strenked with black.

"No. I don't know what the prize is,' she said. "Somebody told me it was \$50. I don't think it is," she hastened to affirm, eagerly disclaiming any miserly interest in that part of it, "but, gosh!" she added, "just think if it was."

"What would I do with it? Well."

But last night Lucy, who was one of and she hesitated, thoughtfully scraping the youngest contestants of the evening, and her partner, by the decision of the across the floor. "I guess I'd get mother a present and I'd have an were acclaimed the best dancers in the city—for the way they waltzed was doing—oh, lots of things!"

MELACHRINO "The One Cigarette Sold the World Over"

House Expected Today to Pass on Revised Bill, Then to Senate

BEFORE PRESIDENT SOON

By Associated Press Washington, Sept. 15.—With the dye embargo licensing provision and the potash duty eliminated, the Administration Tariff bill was back again today before the House. Managers of the measure looked for adoption of the conference report after comparatively

It was the plan to send the bill to the Senate immediately after the House voted and Senator McCumber, Repub. lican, North Dakota, hoped to get it before the Senate during the afternoon. With two of the high fighting spots

become a law immediately after he signed It. Meeting late yesterday, the Republi-

d she hesitated, thoughtfully scraping e toe of her shoe back and forth ross the floor. "I guess I'd get other a present and I'd have an sful good time with the rest of it, ping—oh, lots of things!"

AFTER "DOCTOR'S" VISIT

Man Who Says He is a Physician

House managers by the House on Wednesday. With the embargo out the dye rates were increased, but only after a long and sharp controversy. They rates were increased, but only after a long and sharp controversy. They can be seven cents a pound and 60 per cent on finished products for two years, with the duties thereafter at seven cents a pound and 40 per cent on intermediates and seven cents a pound and 45 per cent on the finished products. In all cases the ad valorems would be on American valuation.

Special trainloads are being sent to Southampton from North Eng land for a rush journey.
