

Loss of Captain Weekes Is Blow to Frankford

DARK LOOK FOR 2 CLEAN SWEEPS IN PIONEERS ON GRID

Captain Weekes' Injury Leaves Champions With Only Two Regulars to Start Season

NAUS ENTERS WENONAH

By PAUL PREP
 A night, without fail, envelops the sun with its black robes and covers the world with darkness.
 Then, again, a champion, sitting on the highest pedestal possible, is bound, sooner or later, to tumble off into obscurity.

For instance, take Frankford High's football team. Last year the champions of the Interscholastic League, the Pioneers have little chance to win the same title again this fall.
 When Charlie Weekes, captain and brilliant fullback, broke his ankle in a recent practice he probably put the last straw on the load that broke the camel's back.
 Unhappily in 1921, Frankford paided through an undefeated season. Teams were mopped up right and left and the team was proclaimed the best in the vicinity.

With classmen striking a high note, scholastic fans everywhere hailed Frankford as the possible champion again this year. But since that time the outlook has taken on a decided change. Six boys were injured to the school again this fall. Two—Clausen, tackle, and Bennett, end—decided to give all of their time to studies and forgot the grid game for a season. Three other boys were injured. The school altogether and Weekes was hurt.

With only two boys as the nucleus for a team and a game with Penna. Central in the Intercollegiate League championship, only two days off, everything looks as dark as night for Frankford.

Unless some unlooked-for galaxy of grid wonders comes in from the sky, no team seemed to go through a season in which Aurora rarely will pull open the curtains and let the sunshine break through with a victory.

Ed Naus Enters Wenonah
 Ted Naus, who for the last two years has been starting on the Sunbury High school team over in New Jersey, has entered Wenonah Military Academy.

Naus was one of the most dreaded backs on the other side of the Delaware in 1921, weighing 165 pounds. He was a wonderful line plunger, and his great speed also enabled him to run the ends. He could punt, too, and throw and catch forward passes.

Ted should be a great help to the "Little Soldiers," eleven. He played quarterback at Sunbury and has a wonderful chance to win the signal-calling job at Wenonah.

Prospects look bright for Central High School in the Interscholastic Soccer League. Seventy-five candidates have been drilling every day on Houston field and, according to all reports, Central is going to make a drive for the championship now held by Northeast High.

The Mirrors will be led by Gillespie, one of the best backs in scholastic circles in 1921. Three other veterans are back. They are Bonnet, Hess and Klink, all of whom made impressions during the campaign last season.

Several games have been arranged by the Crusian and Gold, including a contest with Girard College, the city champion last season. The complete schedule follows:

October 14, Westtown away; 25th, Gerace school away; 31st, Southern High, away; November 2, 1922, 1st, Penna. Central, home; 2nd, Upper Darby, home; 14th, West Philadelphia, away; 15th, Girard College, away; 21st, Girard College, home; Philadelphia Normal School, home; 28th, Germantown, away.

TWO SOCCER TEAMS
 Germantown Boys' Club in Allied Amateur League
 Two senior soccer teams are being organized at the Germantown Boys' Club for the coming season. One team has been entered in the Third Division of the Allied Amateur League, and will play at home on alternate Saturday afternoons. The membership of this team will be almost entirely of boys who have graduated from Girard College and who have become identified in large numbers with the Germantown Boys' Club since last season.

The other team will be captained by Joe C. McCabe and will play independent games at home and abroad, alternating with the "Third Division" team in use of the grounds. Already a game has been arranged with the team from the Pennsylvania Scholastic Association for the season's Saturday in October. The championship is being carried on by out-of-town school teams for other dates.

Scraps About Scrappers
Joe Thille is to appear in a twelve round bout at Coney Island tomorrow night against Ed Markie, the Canadian heavyweight.
Eddie Revore, local middleweight, will be far from being a "old man" pugilist. At his age, he is still in the prime of his life, and he points out where there are a number of other fighters several years older.
Samuel Latia, a downtown sportsman, is going for a belt with Joe Brown in a contest for a belt at the Casino, Monday night at 103 pounds and is eighteen years of age.
Pedro Campo is rounding into shape for a local lightweight competition this season. He handles Harry Brown, Eddie Martin, and Jimmy Hays, featherweight, under his wing.

MISS ELBERFELD HONORED

Red Cross Decorates 12-Year-Old Daughter of Baseball Manager

St. Louis, Mo., Sept. 20.—Ruth Elberfeld, twelve-year-old daughter of "Kid" Elberfeld, manager of the Little Rock (Ark.) Southern Association Baseball Club, has been given a certificate in the Red Cross life-saving course, which usually is issued only to adults, according to an announcement today at headquarters of the Northwestern Division of the American Red Cross.

Miss Elberfeld took the course in a class of girls, but her work was so far ahead of her age that she was advanced to the adult class. One of her extraordinary feats was the bringing in of a 100-pound man through the water for a distance of fifty yards, loving and handling him in four ways, as prescribed by the requirements of the course.

Vacancies in Soccer League
 The Philadelphia Club's Soccer League will open its season in October. It is presently affiliated with the Eastern District and will hold its first meeting at the Lehigh Valley Club, Hazlet and Somerset streets, to receive entries tonight at 7 o'clock. The league is open for teams of boys sixteen years and under. Clubs interested should send delegates to this meeting.

West Philadelphia High, the present titleholder; Northeast High and Germantown High were the winners in the opening day matches of the Public High School Tennis League yesterday afternoon.

Two of the trio made clean sweeps of the matches, while the other just about nosed out a 3-to-2 victory.
 The Speedboys traveled to Frankford and on the courts of the Frankford Tennis Club took the measure of the Pioneers' racket wielders in all five matches with comparative ease.

Four of the six men representing the Westerners were veterans from last year, the only two new men were the doubles partners, Burkholder and Bates.

As happened that these new men were the only players that had any difficulty in subduing their Pioneer opponents. It required two hard-fought sets to decide this match. The first ended in a 6-to-3 score and the last 6 to 1.

Colburn, the first West Philly singles player, won his match from Rush without dropping a set. The other was won by 6-love. Bramal, Captain Olthausen and George Hodge were the other singles victors.

Archives Beat Mirrors
 The hardest fought of the three tilts was that staged on the Northeast High School courts at Twenty-ninth and Cambria streets between the Archives and Central High School racket wielders.

This fray was not settled to the doubles match, the last event on the program. When Nichols and Mathers, the Archives' doubles team, nosed out Captain Schellenberger and Baum, of the Mirrors, in three sets, 7-5, 6-4 and 6-4, it decided the fray in favor of the Archives.

The Northeast victory came rather as a surprise. Central High, which was the runner-up last season, and whose team is made up of Milton Hofkin and Melford Meyers.

Younters, the former Pennsylvanian State boy champion, was the favorite before the start of play.

Hofkin showed brilliant tennis in winning his match with Captain Smith, who was at the helm. He turned out the Central captain in straight sets, 6-1, 6-1. Meyer was the Central winner. Galbraith and Brick were the Archives singles victors.

Although the matches got under way shortly after 2 o'clock, it was close to 7 o'clock before the final doubles match was completed and many of the school-boys who were interested spectators, ate late supper.

Germantown High had all its own way with the Southern High. From the first singles match it was evident that the Red and Black was not in it with the clever Cliveden players and it became more noticeable as game after game was taken from the downtowners.

These matches, this, but this was due to the little opposition furnished by the Southern team.

FRAZIER A. C. DRILLS
 Coach Charlie Gault expects to have strong independent team. The Frazier A. C. held another practice last night at the Kingsness playgrounds at Fifteenth street and Greenwood avenue, with about twenty-five candidates answering the call of Coach Charlie Gault, the former Holmesburg and Quaker star.

DUNN TO COACH AGAIN

Swarthmore Soccer Mentor Signs Contract for Another Season

Bob Dunn, the Swarthmore soccer coach for the last two seasons, has just signed a contract to return to the Quaker college again this year.
 Dunn trained a championship team during the two years at Swarthmore. The Garnet was victor both years in the Pennsylvania State Soccer League, winning last year after an extra game with Lehigh. Almost an entire veteran squad is on the field.

The recruits of last fall were mostly young and inexperienced, but are returning now well prepared for the training which will start soon.

PENNANT FOR PERKASIE
 Montgomery County League Flag Goes to Dick Smith's Team

The Montgomery County League baseball pennant has been awarded to the Perkassie team.

They finished the season in first place with Lehigh and the agreement having been made before the season's opening that the total of both halves would count provided Perkassie could not participate in a play-off.

The team also represents Philadelphia Terminal and is now busy in the Pennsylvania Railroad contest. As a result of the Montgomery County League tonight arrangements will be made for the annual dinner.

The Suburban League will close its season with a banquet at Taber on Saturday, October 21.
