

Yankee Pennant Prospects Brighten With Victory Over Tigers While Browns Bow to Senators

LOSS OF SISLER HURT THE BROWNS CHANCES

Star First Sacker's Injury Proved Psychological Effect in Team's Downfall. Lose Again and Are Now Three and a Half Games Behind Yanks

PHILS WIN A PAIR

By JOSEPH T. LARRIM
YOU can date the fall of the House of the Browns from the time George Sisler failed to make his appearance at the Sportsman's Park one day last week. This spoke a native-born Yankee who is stopping off in our city.

"The Browns without Sisler," contended the Monon City citizen, "are like a ship at sea buffeted with water. The wind which he planned around the brilliant first baseman and defensively forms a most important cog. As far as morale is concerned he is one of the biggest factors on the team."

Psychologically, the worst thing that could have happened to Follis' team was to lose Sisler. Even though he played in the Yankee series, he injured his usual brilliant play, and the players behind and alongside of him knew it. Had Sisler been able to play in his accustomed form during the last ten days, the Browns might be leading the race, at least that is the way I feel today. At least that is the way I feel today, having seen the Browns play this year many times.

What the man from St. Louis says is true in many respects. The Browns, if they were to perform this year, they would have to have a prominent unit Sisler year in every game, how he hits at the right times, saves the pitchers from being hit, and generally makes the play of his teammates look polished.

The loss and inability to play at top form certainly hurt the Browns. They fought hard, but something was lacking. That was where Sisler was hit.

Yesterday Sisler spent on the bench and the Browns lost their second game to the Senators and their third to the Yankees. The latter victory was a defeat that further plunged them away from the top ladder. Three and a half games separate the Yankees and the Browns this morning, an almost insurmountable lead.

Francis Fols the Browns
Suburban Ray Francis, one of Clark Griffith's rookies, held the Browns scoreless while his fifteen were hammered by the Yankees. Sisler was the hero of the day, hitting for a double and a home run. Sisler was and was off in the eighth inning. He hammered unmercifully by the Washingtons for his fourth straight reverse. He retired in the eighth inning for a pinch hitter and Kelly, who struck out. He held the Senators scoreless, while holding the Senators scoreless, was in hot water during the ninth.

'TACK' HARDWICK IN HARVARD TOGS

Former Crimson Football Star Gives Players Lesson in Interference

Cambridge, Mass., Sept. 21.—Harvard's football drill yesterday was entirely in the stadium. Before going to the field the entire varsity squad had another long session at the blackboards, and after the usual fling at the tackling dummies went behind the fence.

In the stadium "Tack" Hardwick, one of the greatest of all Harvard players, appeared in togs and directed the drill on interference. Hardwick previously had put a lot of life in the tackling drill, but as a first master of Harvard's style of open-field interference he started the Crimson linemen and backs on their way toward some real football.

Several teams were run through signals, and one of them stood about the best Harvard were to play a game right away. Clark at center, Grove at guard, Bowman and Kumbard at tackle, and Crosby and Hartley ends are all veterans. With this fine Captain Bull had Pitts, Owen and Chapin worked in the back field.

It is now probable that the first and second varieties will have something of a scrimmage tomorrow as well as Saturday. Some players were sent down to the scrubs yesterday.

A SCRIMMAGE TOMORROW

Cambridge, Mass., Sept. 21.—Harvard's football drill yesterday was entirely in the stadium. Before going to the field the entire varsity squad had another long session at the blackboards, and after the usual fling at the tackling dummies went behind the fence.

BOB MEUSSEL made it possible for the Yankees to gain. He knocked a home run off Babe Ruth in the ninth that won the game and shot a single to the outfield that counted Pipp with the tying run. It was a single by Joe Judge, after Scott had the lead in the sixth. The Yankees took it up in the eighth, only to lose out in the ninth.

Good Pitching Sacrificed

The Mackinnon had good pitching yesterday, but the White Sox had a better and two seasons were dropped. Bob Naylor had a bad first inning in the opener and the Sox scored the only run of the game. The Oklahoma allowed six hits in the first game. The Gateway and Walker getting a pair apiece and Hunter one.

In the second game after getting away to a pair start, Curley Ogden hurled good ball until the tenth round, in the pale-headed one counted the winning run. The Swarthmore had allowed eight hits to seven of the Blackboard, the Texas permit, Gateway getting a pair.

The defeat did not prove costly, the Indians mauling the Red Sox twice. The stopped Rip Collins' winning streak of five straight in the first game, while Redwood won a 21-run round-robin from Chattanooga, outpitched Pierce in the second game.

The Pirates humiliated the Giants on Wilson Cooper's brilliant pitching and brought the margin of games down to four and a half, with the Gothamites having twelve games still to play and the Brownies nine.

A pair of homers after the score had been tied by Bigbee in the seventh with Carey on base and by Cooper in the ninth made victory secure. Eight hits were counted off McQuillan in seven innings and two of Ryan in two. Cooper allowed but five hits, three of which were launched in the fourth for the Giants' solitary run.

OUR Phils showed lots of what is in the game. A double by Rip Loe in the ninth that counted a pair, won the first game, after Woodhouse blew up in the seventh inning, all over excepting the plate.

DETT BEHAN was a sensation in the second game, allowing but seven hits, Stratz' homer in the first being the only run scored of the silver-streaked warrior. On the other hand, the local boss, Aldridge and Morris rays, getting thirteen hits off the pair and eleven runs.

The Homer Kings

By Williams hit his twenty-fifth homer of the season in the opener, while Parkinson ran his total to twelve with one in each game. Adams, a pitcher from Wichita Falls in the Texas League, who lives in Pottstown, Pa., and at home, making pros, showed lots of stuff. The first-inning stand, five feet two inches and can hit the ponderous Babe Ruth.

Helped behind the altar of a girl in his family by making five hits in the two contests, tying with Parkinson for the honors of the day.

The cards and Dodgers divided a twin bill and eight-run rally in the ninth, winning the second game from the St. Louisans. The first went to the Dodgers, who then allowed just three hits, while the second was made off Haines, North and Barlow.

FOURNEY was the whole show in the Browns' win by the Reds over the accepted thirteen strikes in the opener and hit a home in the second. Keck and Dandrea were the winning pitchers and Monaghan and Greenwich, the latter a convert, the loser.

FOLWELL AFTER PUNTER

Navy Coach Directs Attention to Team's Weak Point

Annapolis, Md., Sept. 21.—Unusually cool weather is aiding Bob Folwell in gradually putting his Naval Academy candidates through a stiffer pace. He is being assisted by a big staff of coaches, all of them being now on hand except Moore, assistant line coach, who is expected about October 1.

"Pop" Perry is paying special attention to the kickers, a department in which naval teams have been weak for some seasons. Perry was guard, but dropped back to do the punting, and it looks as if the Navy may have to use Carney, the big left guard, in the same way.

At present he can last the ball further than any of the others. Hardest is being given, however, to Hardest, Collier and McKee, veterans of last year, all of whom are showing improvement. It is also being given to the best of the standard of the better college kickers, Shapley, a new man, who has a chance to make the Navy backfield, is also showing steady improvement in this line.

TO LIMIT TENNIS ENTRIES

National Entries to Be Placed at 6 1/2 to Finish in Week

New York, Sept. 21.—An entry list limited to sixty-four players and a championship tournament completed within a week appear probable in connection with the 1922 national tennis tournament.

Way to reduce the present excessive entry and eliminate the necessity for nine or ten days of tournament play are already being unofficially discussed. It is felt that the subject will receive consideration at the annual meeting of the National Lawn Tennis Association next spring.

BISHOP REMINGTON FORMER PENN STAR

New Head of Episcopal Church in West Used to Pray Before Track Meets

HURLED WITH KRAENZLEIN

The Right Rev. William P. Remington yesterday was elected Missionary Bishop of Eastern Oregon at the Episcopal convention in Portland, Ore.

Do you know the Rev. Remington? Perhaps not, but do you remember "Billy" Remington, famous University of Pennsylvania track athlete? The same person in different roles.

"Billy" Remington, as the Bishop is known to old-time athletes at the University, was a member of two championship intercollegiate track teams and also was abroad with the American Olympic track team in 1900.

The news of the honor conferred upon the Rev. Remington recalled vivid pictures of more than two decades ago to Edward R. Remington, former Pennsylvania graduate manager of athletics, who also was a member of the 1900 American Olympic team.

"I remember 'Billy' Remington very distinctly," said Mr. Remington. "He was a wonderful hurdler and a fine blood jumper, but excelled in the days of Alvin Kraenzlein, which meant that he did not have much chance for an individual championship.

"He was always interested in the religious activities of the University and I recall that he used to pray before each race.

"Although he never won an individual championship, 'Billy' Remington could do about 12 feet in 21 seconds in the hurdles and could clear 21 feet in the high jump. In the broad jump he could always be depended upon to beat 22 feet.

The Rev. Remington scored first in the intercollegiate in 1899, when he took fourth in the high hurdle race, which was won by Kraenzlein in 23 1/2 seconds. The following season, the Bishop was fourth in the low hurdles and third in the broad jump.

On Record Team

The Red and Blue teams of 1899 and 1900 were two of the greatest in the history of intercollegiate athletics. In 1899 the Quakers captured the title with a total of 57 points, the highest number ever recorded by one team in an I. A. A. A. meet.

The Bishop is a younger brother of J. Percy Remington, another former

Let Fatima smokers tell you

NOTE: Like the few other big-selling brands, Fatima is a Turkish Blend cigarette—a blend of both Turkish and Domestic tobaccos. But Fatima differs from the others in that it contains a greater quantity and finer quality of Turkish tobacco—the reason both for Fatima's slightly higher cost and its greater delicacy of taste and aroma.
