Scholastic Elevens on Edge for Opening Battles

WEST PHILA. SHOULD HAVE STRONG TEAM

Coach Delaplaine, With Four Veterans Back, Expects to Win Gonfalon This Year

NO FIELD FOR HOME GAMES

FOR the last ten days passersby along Kirkbride Field at Forty-seventh and Market streets have taken a second glance at the youthful gridiron warriors practicing on the grounds. They proved to be the West Philadelphia high school candidates.

The Westerners are an "eleven without a country" literally speaking. They have no grounds which they can call their own and when arrangements were made to use the Donovan Athletic Field at Forty-eighth and Walnut streets it was found the expense would be too great.

The Kirkbride Field was the last resort and was readily accepted by the officials of the school. Although it does not furnish the facilities that should be present for a football team, it suits the purpose for the time being.

This lack of a home field is apparently a damper on the spirit of the candidates. Out of seventy-five players who reported for the Monday session on the opening day of practice, there are still sixty hard at work in an effort to make the team.

Title Team Looks Winner

The prospects for a championship team look bright, as only five men graduated from last year's eleven, which went to the Pennsylvania High School championship.

As Frankford was barred from competition because of Captain Wood's ineligibility and the absence of Captain Benners, there is more than likely a chance that the Saxonburg team will be champion of the Interscholastic League.

The four returning regulars, Captain McFeeley, tackle; Bill Barge, guard; Schlosser, halfback, Hall, Walker, Wallace, schoolboy coach, and Owen Walters, another end, are back.

Sweet's Brother Out

Sweet, brother of Pauline Sweet, who starred for the West Philadelphia eleven a few years ago, is one of the new halfbacks.

Bob McIntire, a 200-pound scholastic shot putter, is trying for a guard berth. He weighs 190 pounds.

Bill Grant seems to have a fine position at center. He has a slight advantage over Heller in the early training for the position.

Ben Hall, one of the best ends of the last eleven, and Walter Wood, Cook, are also playing their last year. The opening game of the season, next week, will be a formidable event and signals.

Darby Opening Game

Bill Wood, tackle; George Kelly, end, of the track team, Cook, and Blaine Scott, guard, are promising candidates.

With the opening game on September 30 against the eighth grade, the team will be ready for the hard schedule to follow. The opening game with Darby High on Thursday, September 28, Morning Post Field, will be the first of the High School Athletic League games pending for October.

The schedule:

GERMANTOWN HIGH GETS TABOR FIELD

Clivedens Will Open Football Season With Radnor September 29 at Wayne

Announcement was made today that the Germantown High football team has obtained Tabor Field for all its home games this season. The eleven has been practicing on this field since the opening day, which was last Tuesday, but it was not definitely known whether they would be able to use the grounds later in the season.

This news is welcomed by the entire student body and also the players. Last year the facilities for playing and also dressing were inadequate, and with the resurrection of the spacious Tabor Field all this worry and difficulty have been dispensed with.

The team did not cut a very large figure or turn out to be in its playing last year, and as it has been hit by several stars leaving school and ineligibilities it is not expected to figure in the championship of the league this season unless the inevitable happens.

However, they should prove dangerous to their opponents in all games, and no team will beat them without feeling themselves in a fight.

Radnor Opening Game

The early part of last week Coach Miller had his backfield talks and signal drills, and for the rest of the week tackling and punting practice were the order.

For varsity lineup consists of Zeller and Cartwright, ends; Stone and Moody, tackles; Captain Gordon, guards; Holsom and Myers, guards, and Zeller, center. The backfield is composed of Kuchell, quarter; Harris and Billespie, halfbacks, and Ross, fullback.

The Clivedens have a strong scrub to battle against every day, and are rated to be the equal of the varsity. They consist of Captain Mayer, quarter; Mayer, halfback; Cook, halfback; Hall, fullback, and Wilson, end.

Ten Soccer Players Back

Ten of the eleven regulars who represented the Germantown High soccer team last year are back in school this year, and with the addition of several new players, Coach Bennett hopes to turn out a strong team. Captain Johnny Dawson, Vic Evans and Charley Van Hise are among the veterans back.

Practice drills, physical exercises, passing work, shooting and other fall soccer activities are under way, and Coach Bennett hopes to have a strong team at center.
