#### How to plan a trust fund

In setting aside money and property in trust, you will find it well to consider:

1 .- Who is to Receive the Income?

You may endow anyone you desire-your wife, your son, your daughter, yourself, a charity or some relative.

2.- How Long is the Trust to Last?

You may wish it to endure until your beneficiaries attain years of discretion, or throughout their lives.

If you prefer, it may extend to other lives within the limits of the law.

3 .- How are the Funds to be Invested? The income from your fund will depend largely on the written instructions you give in this matter.

4. - Who is to Receive the Principal?

Is it to be distributed as your beneficiaries may direct, or is it to go to some other person or purpose you may name?

A trust agreement should be drawn only after careful consideration. Our officers will be glad to make suggestions which may prove of value in planning yours. They will be pleased to confer with you, in your office or ours.

# More and more Buyers are attracted by Type 61 Value

THERE is one very safe and sure guide to follow in selecting a quality automobile, and that is the number of people buying it.

In this respect, as in others, the majority is usually right, and its choice of a quality automobile is usually the right choice.

One need only refer to the number of people buying the Cadillac to know that it enjoys this majority preference.

The fact is that more people are purchasing the Type 61 Cadillac than purchased any previous Cadillac model.

What is even more important, sales of the Type 61 exceed those of all other cars combined selling at the Cadillac price or higher. Such a conclusive expression of favor for the new Cadillac, we believe, has a significance which cannot well be mistaken.

It means that the public recognizes in Type 61 a new high point in Cadillac efficiency and value.

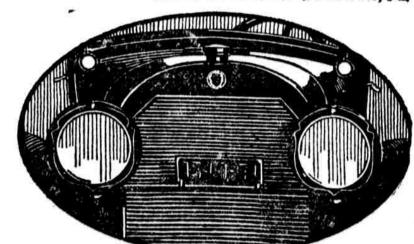

And it means that an ever-increasing majority of buyers of high-grade cars regard Type 61 as the greatest automobile value in the world.
