What About the New Autumn Fashions?

What Is the Correct Sirhouette? Is the Waist Line High or Low? Are Skirts Wide or Narrow? What Are the New Lengths? What Are the New Sleeves to Be? What About the New Cloths and Silks? What Are the Fashionable Furs? What Are the Fashionable Shades? Are the Hats Large or Small? What Materials-What Shades?

These are questions that every well-dressed woman is asking herself NOW - What Fashion Establishment can she go to to be perfectly costumed?

The Answer Is Obvious-There is one establishment in America that not only answers these questions, but shows the correct fashions-Gidding's. Representatives, working in conjunction with their Paris Bureau, have assembled the most noteworthy collection in America.

Just Plain "Horse Sense"

If you knew where you could buy clothes of the finest quality sold today, at a definite saving of \$ to \$12 on each garment wouldn't you at least look at them?

That's just what we ask you to do. Look at Perry's Super-Values then compare with other good stores. That's how we gain our best custom-

OURSUPER-VALUE PRICES

\$28 \$33 \$38 and \$43
