and are more than anxious to see the team come through. They have been attisfied in the seating arrangements, over the supposedly invincible Athletics ord with a 69 before he was knocked out by the sun at Pine Valley, was m the 40-yard line east.

While the graduates and students are waxing enthusiastic, Heisman is worrying about his manifold problems. Yeserday Jack Dern, the Salt Lake City lad, who played a whale of a game at center on the varsity last year, was ordered out of the drills by Dr. Arthur light, the team physician, because of hadly injured left shoulder.

and came during a scrimmage drill. The mulder was bumped hard, but Dern lid not leave the fracas. He remained n until withdrawn by Ceach Gaston, fter which he had Dr. Light examine the member. At first it was thought to wonly a bump. But later, when it was found that pain was causing no end of trouble, Light ordered the Westerner street and Lancaster avenue. to see Dr. Carnett, the hone specialist, the will make a report this afternoon.

. . . THERE is a strong possibility that

Dern will not start in tomorrow's opening game. Heisman is averse to taking any chances this year and will probably keep Dern on the sidelines. If the Salt Lake youth is unable to play Heisman will be forced not only to find a cuter, but also a signal caller. Hern has been calling the numbers since the middle of las teason and is rated as the brains of the team.

CEORGE SULLIVAN, the triple I letter man, who played the quarterback post in high school, but who has done end duty at Penn until this year, when he was converted into a back, may get the assignment. Sully has been showing brilliantly in all prac-tice tilts, and looks like a backfield fixare if he continues to scintillate.

## Adams at Center Post.

Charley Adams, from Spokane. Washington, the town that gave Larry Brown to the University, has first call on the pivot post and will probably play opposite to Marshall Payne, of Franklington, and the state of the sta

Franklin and Marshall, who was Jack Reogh's freshman center last year. Adams has shown the best form of all he pivot candidates with the exception of Jack Dern, and looks the part of the eal center.

However, Adams will considerably reduce the weight of the line, which with bern averages over 180 pounds. The Washingtonian weighs around 168 Dounds, ten lighter than the Salt Lake

The backfield problem still confronts Heisman, but we have it on reliable authority that the coach has about de-edded to start Pos Miller and Al Voc-
