By MRS. M. A. WILSON Copyright, 1922, by Mrs. M. A. Wilson. A.

THIS week I have a medley of recipes, and each lady assures me her recipe is original. Some of these have been in the family for generations.

White Fruit Cake from Virginia This recipe has been in the Randolph family since 1665, and was used for weddings and all affairs where a dainty, delicate cake was needed. The correct temperature for baking this cake is 325 degrees fabr.

Place in mixing bowl: Four and three-quarter cups of astry nour Three cups of powdered sugar Fire level teaspoons of baking powder

Sift six times Return to the cake bowl and add: One and a quarter cups of milk One teaspoon of each almond and One-half cup of melted and strained

And heat to a very smooth batter. This usually requires about ten minutes. Now cut and fold in the stiffly beaten whites of six eggs, adding a little of the prepared fruit while folding. To prepare the fruit, place in mixing

One and a half cups of seedless raisins Three-quarter cup of finely chopped

One and three-quarter cups of finely chopped nuts
Grated rind of one lemon
Grated rind of one-half large orange
Six tablespoons of cornstarch

dusted over the fruit and mixed in well. Line a deep cake pan with a greased and floured paper, and turn in the mixture spreading just a little higher on the sides than in the center. Bake one and one-fourth hours, cool, then turn from the pan on a lightly ared cloth, trim top to shape if nec essary, place on plate and ice with any preferred icing. The pan I used was a straight side aluminum pudding pan, cleven inches wide and four inches

DUE to greatly increased crops, even though production costs are still much higher than in pre-war days, raisins now cost almost as little as before the war.

Use this luscious, energizing, healthful food lavishly, therefore, in scores of "plain foods" like rice pudding, boiled rice, bread pudding, Indian pudding, and in cake, cookies, pie, and with the children's cereals, to give them "luxury flavors" at "plain food" costs.

Raisins are both good and good for you. So take advantage of these lower prices now.
