Funds Being Raised for Families of Victims of Bodine Street Blaze

INVESTIGATION CONTINUES

Two of the four firemen who lost their lives in the fire which damaged the warehouse of Joseph Bielitzky, 1017-1021 North Rodine street, were buried

Funds are being raised for the families of the dead firefighters and Albert H. Lieberman, a real estate and insurance broker, 709 Chestnut street, has contributed \$100.

Meanwhile, investigation as to who

was responsible for the fire, of apparent incendiary origin, is being continued by Fire Marshal Elliott, Director Cortelyou and other officials.

While everything points to the sus-picion that the place was "set off," Elliott said today that he had to move cautiously in ascertaining the identity of the guilty parties.

New York, Oct. 7 .- Pretty seveneen-year-old Geneva Mitchell, former 'pogo" girl in the "Follies." took the final step in her suit for annulment of her romantic marriage, March 5 last, to her Yale student husband, Robert Savage, when she ascended the witness stand yesterday before Supreme Court Justice Tierney. To her lawyer's ques-tion she testified as follows:

"I was seventeen years and one month of age when I ran away to be married," testified the demure actress. The marriage of the "pogo" girl to the student occurred at Milford, Conn. The next day she left him and, despite repeated efforts Savage made to effect a reconciliation, she has steadfastly refused to live with him. The subsequent
