many. He's black and tan and is perfectly enormous. But the weird thing is he can't understand English. You have to talk German to him. So me, I have to tive up any idea about having ene, for German cannot get around my torque, or is it the other way round?

Anyway, his name is "Tenor" (I hope that's the way to spell it), and if Tenor gets affectionate and wants to tump up in your lap or put his paws Anyway, his name is "Tenor" (I hope that's the way to spell it), and if Tenor gets affectionate and wants to fump up in your lap or put his paws a your shoulders I'd advise you to have Babs around to tell him to remove himself. Otherwise if you said "Down at" he might think it was German for "Keep it up" and that would be disserted.
