"Shut the Door!" Is Sharp Command to Maid at Mrs. Hall's Residence

## MILLS HOUSE IS DESERTED

New Brunswick, N. J., Oct. 12. Darkness and silence surrounded the homes last night of the five families most deeply involved in the Hall-Mills In the big Hall house on the bill to a light was visible through the thickly leafed trees. The heavy door was shut and the ring of the bell far back in the

house could not be heard. Footsteps, the grating and scrape of the lock in por and a stream of light shot out on the porch white dress and thick glasses of maid appeared on the threshold

morrow night some time, I am sorry, the repeated. (Miss Sallie Peters is the triend and confidents of Mrs. Hall, "Mrs. Hall herself is not so well to-

hight," the maid went on to explain. "For the last two days she had not been feeling so well. It is so ter-rible," said the sympathetic maid. rible," said the sympathetic man. "Whose strength could stand it's of "Martha!" A voice came down the Y. -a voice cold, bacet, precise, com-

manding. "Yes, malam." Then turning in the door, "Eleuse me "Shut the Door!" Is Command

There was no sound, but the rastic chostly whispering echo of the that stirred in the trees, then u her murmur of voices and "Shut the door said the voice from the stairs in a tone more decisive, community than -the voice of a person who would brook no interference.

Martha appeared again with an apploperic smile. The light glinted on her glasses as she lowed her head and said. "Mrs. Hall said for me to And the door swing to again, the ing of the armistice at Midania, and this movement lock snapped, the footsteps died away the report of its consummation suited popular support. as the house on the bill once more lacame enveloped in gloom and sheare, and there was only the faint cry of the wind in the trees and the crunch of

wheels on the gravel drive.

The "home" of Pearl Bahmer and her father. Nicholas, is now in the New There on the first floor, reaching out also hands eagerly to get the newspaper with his picture in it, was Nicholas, his powerful form in the white prison garb. He stood there quietly, the shadow of the gratine falling across the shadow of the gratine falling across the shadow of the gratine falling across the shadow of the contestion of the machine is in the machine is in the contestion of the machine is in the machine is in the contestion of the contestion

## Charlotte Mills Was "Locked !n" by Father

New Brunswick, N. J., Oct. 12. Inmes Mills is ill, suffering from heavy cold. He said today that he would be "glad to be with" his murdered wife. Mills denied a rumor that Charlotte, his sixteenyear-old daughter, had left his home because he had slurred her mother's name and had punished her for objecting.

"I am her father, and she must obey me," he said. "She is living home. She was angry recently be cause I would not let her run out at nights. What I did was for her own good and well within my rights as her father. When she insisted on going out against my judgment and visites. I locked her in.

Cool as Lawsuit is Delayed

A. Florence Yerger Hagan's suit against Major A. J. Drexel Biddle. Sir William has found, during his visit to the United States, many demands on his time from affiliated organizations in

of understanding between Great Britain All parties to the case, including and the United States," he said in an "Philadelphia Jack" O'Brien, husband address at the luncheon, "it is inconcrivable that the war would have taken If we are to prevent future

wars there will have to be some such understanding." Better co-operation and understanding among the Allies during the past year would also have averted the Turkish crisis. Sir William believes. Lalted for more than an hour while the of Senator Pepper, counsel for Major were in progress.

Mayor Moore in a short address proposed that the new building be named with the trial the stand that England had taken.

## Lloyd-George Hates War

"I know Lloyd George well," said Sir William, "I know his hatred of war, and I know he wishes to spend the remainder of his life as an apostle of peace. No man has a greater real ization of what war means than Lloyd 'It must have been very difficult for

bim to take the step he did in the Near East with the risk of war. But had he not taken that step, we certainly would have had the Turk in Europe "As a result of what Lloyd George has done, acting for the British Gov. ernment, the trouble with the Tucks

tries had stood with Great Britain in a united front we would not have bumake concessions to the Turks. eroise the allied nations did not raily to the side of Great Britain, the situation is not as satisfactory as it might

have been. "It is not for me to suggest Ameriea's attitude on this problem. am going to put it this way: American writer well said that those tions who had made a mess of atfairs in Europe must eventually bear their share of clearing it up again. "Reparations Largely Myth"

"The same thing applies to repara-

Sesqui-Centenntal here, says Charles
L. Chandler, manager of the foreign
commerce departmens of the Corn Exchange Bank, who astended the opening of the Brazilian centennial exposition at Rio de Janeiro.

The funeral of Cecil A. Preston, late
change Bank of those questions have
become political questions.

In England we thought we were
going to get the costs of the war from
Germany. Today we are beginning
to realize that reparations are largely
a myth. We are beginning to realize
the certainty stands or reason flat if
the European countries could all put
the European countries the European countries of the Pennsylvania
to realize that reparations are the become political questions.

The England we th Sir William asserted that, until there

HEIRS OBTAIN AWARD

Court Grants \$900 to West Chester People, Due to Shooting West Chester, Pa., Oct. 12,-The heirs of the late Ephraim Meiskey, of Kennett Square, formerly a constable there, obtained a compromise award in court here today against the estate

of John Roney, adjudged insane, in the sum of \$1000, in a suit brought against his estate for \$10,000 damages. Roney is an inmate of an insane spital, where he was sent by the court after being adjudged by a commission as of unsound mind. A year ago Rosey went to the home of S. Jones Phillips, president of the American Road Machine Company, and attempted to take his life with a revolver, after which he went to the house of Meiskey and shot
