

PEPPER RALLIES TO GRIEST'S SUPPORT

Leaves for Lancaster County to Aid Congressman in Hot Fight Against Musser

VETERAN TAKES THE STUMP

Senator Pepper leaves today for Lancaster County, where the hottest congressional fight in the State is raging between the veteran Congressman and the Democratic and Lancaster Party nominations.

Pinchot Supports Griest

In the primary contest Mr. Griest turned in for Pinchot for Governor. Since that time Mr. Pinchot has been cooperating with both the Griest and the friends of Mayor Musser.

Musser Follows Up Victory

Interesting is the fact that Lancaster County is the home county of both John A. McSparran, Democratic candidate for Governor, and Austin E. McCollough, Democratic State Chairman.

NEAR-EAST RELIEF APPEALS TO PUBLIC

Director Says 100,000 Children Face Death Unless American Aid Continues

WORKING WITH RED CROSS

G. E. Silloway, regional director of the Near East Relief, issued a public appeal today in which he said that more than 100,000 children, made orphans by the Turks during their recent outrages in the Smyrna district, will die of hunger and cold unless American philanthropy continues to support them.

Task Is Big One

For more than a month Near East Relief has stood almost single-handed in the breach. Day and night, since the refugees came rushing into Smyrna, it has been maintaining without stint and directing the relief operations for a half-million refugees.

WoulDN'T Tolerate Rental

But the point which independents may most clearly show the hand of the Combine is that the courts would not tolerate the renting of the streets, Councilman Gaffney says.
