# SUBWAY STORE'S SATURDAY BARGAINS

## Sale of Velveteen, Silk, and Poiret Twill

### Dresses

—Anniversary Specials at

# \$15

And velvet-weaves are the fad of the hour! Silks—that is, the silk crepes and the Cantons (which these are)—are just as fashionable. And the new Poiret twill styles are dressier, while still beautifully tailored.

Color-touches of every sort—color-facings to black and brown velveteens; color-faced sleeves to Poiret twills—maybe a bit of a vestee, too. Or maybe bright "bullet buttons." Or a bright metal buckle. Or flying "ribbons" of novelty silk-braids. Or odd inserts of narrow panels, in the new "herringbone press-pleatings."

Misses' sizes in ages 14 to 18.

Women's sizes, 36 to 52.
