A well-made Player-Piano, if carefully handled, will last from 25 to 35 years and be a constant source of pleasure and entertainment to its owners. The Cunningham Player-Piano is manufactured with the celebrated REO-STYLE patents, owned and controlled exclusively by us, in our modern, wellequipped factory. So perfect in construction is this instrument that a child can play with all the expression of the master composer himself. Every Player-Piano we manufacture has a double valve action and metal tubing. Do not let anybody talk you into buying an instrument with a single valve action, as it has not the power or endurance—if it had, why should we spend twice as much money in developing a double valve action? The very fact that for over a quarter of a century we have been offering \$10,000.00 for a better piano than the MATCHLESS CUNNINGHAM should be sufficient proof of its quality!
