

Independent Football Teams Prepare for Saturday's Clashes on Gridiron

DELCO GRID TEAM TO TACKLE VICTRIX

Coach Woody Bonnell Whipping Team into Shape for Saturday

PRACTICE UNDER LIGHTS

Delaware County football fans who follow the Delco Club are more than pleased with the prospects of a championship team this year. Three games have been played and all resulted in victories over the strongest opponents.

Last Saturday the colors of the strong Magnolia Club, of Frankford, were lowered to the ground in anticipation of the hardest game to date, Saturday, when Delco clashes with Victrix, Coach Woody Bonnell has ordered his squad out for daily practice.

Victrix is possibly the best team in West Philadelphia this year, and Manager M. Connel fully expects to lower the colors of his opponents.

The Delco boys were out for practice last night as usual and a number of new plays were perfected which will be used against the Victrix boys. Coach Bonnell reports his team in the best of shape and all have confidence which is half of the victory.

As was used last week has been decided on a switch in plans is made at the last minute.

South Phila's Opening
For the first time in years, South Philadelphia will place a first-class gridiron club on the scene this year.

The opening game will be played Saturday with the strong U. S. Navy team composed of the best men stationed at the Navy Yard. "Hip" Reed noted as a football warrior has signed to coach and play one of the halfback positions and he will be assisted by Drew Toland, former Victrix star.

It is the intention of the South Phils to bring the best teams to Shottelmeier Park, Broad and Bigler streets.

The team will likely be changed from week to week until the best possible combination is secured. Coach Reed would like to hear from a few good players. He can be reached at Woodland 2948 W after 6 P. M.

ST. PETER'S FIVE OPENS CAGE CAMPAIGN TONIGHT

PICK CAGE TEAMS MONDAY NIGHT

Thirteen Clubs Apply for Entrance in Manufacturers' Circuit

At a meeting of the Philadelphia Manufacturers' Basketball League, held last night, it was decided to close the circuit for the season Monday night, and the playing location, schedule and other important matters will be decided at a meeting to be held one week from tonight.

There are more applications for franchises than places in the league, and the officers will select the best clubs available, and these will be announced next week.

Thirteen teams have announced their intention of joining, as follows: J. E. Caldwell, Lit Brothers, Colonial Ice Cream, National Metal Edge, H. O. Wilbur, Western Union, Keystone Telephone, Steel-Heddle Company, Harwick & Mager, Passon, Gottlieb & Blum, S. B. & R. W. Fleisher, Mackowitz & Herbach and Overbrook Carpet.

It developed at the meeting that a number of the firms have representative women quints. It is probable that games between the girls of the rival firms will play an important part this winter in connection with the league games.

The Immaculate Conception team will open the season tonight with St. Peter's at the latter's hall. Fifth street and Girard avenue. Tomorrow night Immaculate meets Cathedral at Michler's Temple, Thirteenth and Spruce Garden streets. Immaculate will play at the home arena on Saturday with Madonna at its home floor in Scullin's building, Thirteenth and Spruce Garden streets. Teams wishing games should get in touch with James J. McInnis, 413 East Widdow street, telephone BR 1809, between 6 and 7:30 P. M.

The St. Raphael team, which had a record last year of thirty victories out of thirty-one games, will endeavor to better its record for this season. It will open the campaign next Wednesday night at St. Raphael's clubhouse, at Eighth and Tenth streets. It will also play on Sunday afternoon. Manager Joseph G. Herman desires games with the best first and second class teams. He can be reached at Eighth and Tenth streets.

The Westville team will travel on Monday, Wednesday and Saturday, and would like to hear from O'Brien, Bridgeton, Delaware, and other clubs. Address R. W. Crouch, 620 Walnut street, Camden, N. J.

The All-Jewish team, formerly the Spha Brevards, would like to hear from athletic first-class teams. Several new stars have been signed and the club is better than ever. Address Samuel Dason, 621 Porter street.

NORWOOD ELEVEN TO PLAY COLWYN

Will Open Football Season for Delaware County Title Saturday

The Norwood eleven has a great team this year and has defeated St. Monica and held Eddystone with many prominent stars in the line-up. In a 0-0 tie, Colwyn has not been going along so well, but the team has been practicing this week under the tutelage of Dr. Kerr, of Southern High. His drills have consisted mainly of new formations at Norwood Saturday, which will virtually be an elimination game for the championship of Delaware County.

While Colwyn has been in a rut the supporters of the club are optimistic, and figures that it is only a question of time when the team will hit its stride. Norwood will use a double set of backfield men in the game, Irwin, of Swarthmore, and Sheldrake, Chester High, are the quarterbacks; Herring, of Villanova; Clinger, Williamson, Trades, Hartman, Franklin and Marshall; Robinson, Tidley Park High School, and Sweeney, of Pennsylvania Military College, and others are half-backs and fullbacks.

The Riverside team, of Jersey, West-inghouse, Clifton Heights and others will play at Norwood this year. The club is getting together two eight-round bouts and three sixes.

College, scholastic and independent players comprise the Norwood Club's roster. The club will end the grid season on Thanksgiving Day, meeting at Clifton.

NEW BOXING CLUB
Willus Britt Will Open Central B. C. November 2

Another boxing club will enter the local field next month, when the Central Boxing Club will be opened in the Colonial Theatre Building, Fifteenth and Chestnut streets, with Willus Britt as the promoter and matchmaker. The opening date is November 2 and Britt is getting together two eight-round bouts and three sixes.

Britt's idea in promoting matches is for the chief purpose of developing local talent. He plans to show as many Philadelphia boxers as possible, staging bouts weekly on Thursday night.

Hurlingham Club

Overcoats of Big

Scotch Plaid Backs

THE kind that would delight the heart of Harry Lauder—cap to match, presented to the purchaser with our compliments.

\$30 \$35 \$40 \$45 and \$50

The Hurlingham Club Overcoat is distinguished from all other overcoats in that we have protected the label at Washington and applied for patents on special features of the coat.

In the making of the Hurlingham Club coat, an unusual amount of tailoring at the edges and seams has been lavished upon them. Five rows of stitching will be found on every seam and at every edge.

It is a wonderful coat from the standpoint of comfort, of new fashion, of fabric and of wearing qualities.

That the men and young men of Philadelphia appreciate the new 1922 Hurlingham Club Overcoat is reflected every day in the number we sell.
