

Bobby Barrett Outslugs Joe Tiplitz in the Greatest Bout of Season While Crowd Is in an Uproar

BARRETT SURPRISES, DEFEATING TIPLITZ

Punch After Round Ends Knocks Out Yusi Who Comes Back and Goes Eight Rounds in a Sensational Scrap MUCH EXCITEMENT

LOSING a two-hundred-dollar forfeit for weight, getting a "draw" in the selection of a referee, Bobby Barrett, of Clifton Heights, today is gloriating over a sensational eight-round victory against Joe Tiplitz in one of the most exciting battles ever seen at the old National Club, last night.

It looked like the days of the late Jack McGuigan at the South Eleventh street arena, with the biggest crowd in years to turn out for the second show held under the auspices of Joe Griffo, and the fans were in a frenzy before the bout, during the slashing set-to and even today those who attended are still conversing about the upset victory scored in Barrett regaining a lot of his lost prestige.

Knocked down, completely out, after the bell sounded ending the first round, Tiplitz just about managed to leave his corner for the second round, and while he was on the receiving end of a flood of barbs from the spectators, he was unable to get back in the ring until the great comeback in the succeeding sessions.

Just before the finish of the opening frame Barrett and Tiplitz were indulging in a terrific exchange of punches, the former having slightly the better of the slugfest, and the audience was in an uproar. So much noise was there in the air that boxer, nor the referee who was Griffo, heard the bell ring.

They continued to punch away at each other, and in the third round, according to the timekeepers, John Steffens and Joe Cervino, when a hefty overhand right by Barrett clipped Tiplitz's chin.

Joe went down flat on his face. He was dead to the world and referee Griffo started to count over his seconds. It was again in the field on a much larger scale. Two new schools have been added so that every annex in the city will be represented in the league, which will consist of eight teams.

There will be two sections, four in the Northern and the same number in the Southern. The season will open on Monday afternoon at the regular time. St. Thomas, St. Teresa, St. Gabriel and Cathedral are in the downtown section. Nativity, St. Bonaventure, St. Vincent and St. Columba are the uptowners.

Each team will play twice before the elimination starts. On November 13, 14, 15 and 16, the first, second, third and fourth finishers of the two sections will clash.

This will bring the number down to four teams and they meet the following week. The date for the championship is set for November 23.

All games will be played on Cahill field, and only one game will be played each afternoon. All contests will start at 3 P. M.

The league produced many good men last year, most prominent of these being John Shuber, who has clinched the quarterback post on the regular Catholic High team and Mackel who is a substitute.

Barrett Over-Anxious Barrett, anxious to score with a final punch in the fifth and sixth rounds, relinquished his advantage. Instead of slugging in these two sessions, Tiplitz used straight left punches and made Barrett miss a lot of long distances, while close quarters body punches by Tiplitz made the Red-head hold several times. These were the only rounds won by Joe.

Tiplitz again was dropped in the seventh as the referee lifted a roundhouse right-hand wallop on the back of his neck. Joe went down on all-fours. He jumped to his feet in a jiffy, however, and four back hands to the corner (fatigue). Bobby was tired, too, from his vicious onslaught. However, the referee managed to get over a number of punches that fell on Tiplitz's head. Tiplitz was forced to run into several clinches.

The eighth round was another big one for the boys. The bell sounded and Tiplitz came out with a rush and Barrett met him with straight lefts. This time it was Bobby who started out to do the boxing instead of punching wildly. He tipped back Tiplitz's head several times, and once Joe ran into a straight left with such force he was sent reeling across the entire length of the ring, the ropes saving him from going to the canvas.

Barrett was on Tiplitz like a tiger, hitting a flood of fists that found lodgment on Joe's head and body and, although the punches lacked knock-out powers, Yusi was shaken up several times before the bell sounded ending the greatest slugfest of the season in Philadelphia.

Ohio State-Michigan Tussle Draws 68,000

Columbus, O., Oct. 19.—Almost frantic appeals for tickets to the Ohio State-Michigan gridiron contest here Saturday, when the new Ohio stadium will be formally dedicated, are being answered by athletic officials to take chances in the line Saturday morning, when 5000 standing-room pasteboards will be issued. Approximately 65,000 tickets already have been sold. Saturday afternoon has been proclaimed a half-holiday in Columbus by Mayor Thomas.

One of the biggest problems confronting the city today is how to care for the out-of-town visitors. All hotel accommodations were exhausted weeks ago and the Chamber of Commerce has obtained reservations for several thousands in private homes, still hundreds are yet to be cared for.

I have nothing against Grimson, but I do not see why another man should have been selected without having consulted me."

"Grimson will referee, or there won't be a fight," said Phil Glassman, Tiplitz's manager, and for a while it looked as if the match would not take place, while the crowd continued in an uproar.

Finally it was learned that Glassman would agree to have Griffo officiate, and after another short delay Dougherty finally consented on the promoter as a compromise.

There were four other bouts, but the sensational wind-up took all the edge off the front part of the show.

Johnny Nealey won in eight rounds from Charley Murray. George Rusek stopped Frankie McManus in fifty-one rounds of the fourth round. Referee W. J. H. Miller was unable to protect himself after being knocked down. Joe Richie in the air that the boxer, nor the referee who was Griffo, heard the bell ring.

WEST PHILLIE IS GRIDIRON FAVORITE IN BIG GAME TODAY

Speedboys Open Interscholastic League Season Today With Germantown High Team

TO MEET ON TABOR FIELD CONNAUGHTON OUT OF TILT

How School Grid Opponents Compare

Table with columns for West Philadelphia High and Germantown High, listing players and their statistics.

By PAUL PREP GERMANTOWN HIGH SCHOOL Overwhelmed by almost ten pounds to a man, will stack up against West Philadelphia High in the opening game of the Interscholastic League this afternoon at Tabor Field. Seventh street and Locust road. The contest will start at 3:30.

This marks the tenth year of the Interscholastic Football League under the Supervisory Board. This organization was started in 1912.

The West Philadelphia eleven is the favorite for today's contest, due to the record which it has made to date and because there are more veterans on the eleven than on the Germantown team.

In addition to these advantages, the Speedboys, on an average, weigh close to 175 pounds to the Clivedens' 160.

Both teams wound up their long practice drills in preparation for the big contest yesterday afternoon. Coach Delaplaine took the Westerners out to Swarthmore for a secret practice.

The Clivedens spent the afternoon at their usual practice place at Tabor Field.

Neither team has played a regular contest for two weeks, the coaches having devoted all their time to put their men in shape for today's big battle.

Germantown High played Coatesville High last Friday, but in this contest Coach Miller used but one regular, Sewell. The result was a severe trouncing by the up-State aggregation.

To date West Philadelphia High has participated in two battles.

The first game resulted in an overwhelming win over Darby High and the other was a scorching tie with Stan Coffall's Catholic High School team.

The deadlock with Catholic did not cover the Speedboy colors any as the Purple and Gold has one of the strongest eleven in recent years.

BIG SHIFT IS MADE IN LINE-UP OF NAVY

Bob Folwell Replaces Flip-pin, Lentz and Parr With McKee, Zuber and Stolz for Georgia Tech Game

NEW MEN LIGHTER Annapolis, Md., Oct. 19.—Seeking to secure the strongest possible line-up for the game against Georgia Tech here Saturday, Coach Folwell has made three changes in his varsity line-up.

All of the new men yesterday engaged in the short scrimmage which was allowed the regular eleven. McKee was placed in the backfield in place of Flip-pin. Zuber was substituted for Lentz at right guard and Stolz took Parr's place at left end.

The changes will take quite a few pounds of weight from the Navy's team average. Zuber is thirty pounds lighter than Lentz, but stocky and aggressive. McKee, who was a regular back two years ago, is fifteen pounds lighter than Flip-pin.

The dropping of Parr came as a surprise, as he has been a varsity end for three seasons. Stolz, however, is a powerful youth and a hard player.

SWARTHMORE—Coach Mercer's eleven looked better in practice yesterday than any time during the season. The new backfield combination of Schneider at quarterback, Dotterer and Schneider at fullback and Asplund looks like the Garnet's best bet to bring victory to the "Little Quakers" when they meet Penn on Saturday.

The scrubs were helpless against the varsity at all times. The called-back backs plunged through the line for large gains, and the interference given on the end runs was almost perfect.

Swarthmore will attend the game almost to the man, or woman, too, as the co-eds are also viciously clamoring for tickets. Nearly all of the Swarthmore cheering section has been sold and the Swarthmore management has been forced to send to Penn for more tickets.

PRINCETON—With the Chicago game October 28 claiming the attention these days, long drills in all departments of the game are the order of procedure. The Orange and Black line yesterday received a great deal of attention from Coach Roper. The behavior of the line in the Colgate game was anything but satisfactory, and he has been devoting most of his time and energy to this vital part of the team.

Harvard—There was some scrappy football in the stadium yesterday for the varsity, the coaches staging two scrimmages, one against the freshmen and the other against the scrubs. The double football battle followed a long lecture in the locker room, but once on the field the squad went into the play just as fiercely as they did Tuesday.

The play continued until it hardly was possible to follow the ball, and with the final whistle Coach Fisher just about completed the hard work he will have this outfit do for the game on Saturday night.

JOHNS HOPKINS—The football team will journey to Haverford, Col. to meet their old opponents on the gridiron Saturday. The Quakers have not had a very successful season so far and will be out, not only to break their present jinx, but also to pay back for the defeats handed them by the Black and Blue during the past two seasons.

The Van Orman-O'Rourke team was running in mid-season form against Washington. Rich and Taylor in the backfield worked exceptionally well in the broken field. The line performed well at all times.

BUCKNELL—Head Coach C. W. "Pete" Reynolds ran the Bucknell football team yesterday afternoon for the only rough work on the week's schedule. Several new players were added to the Bucknell repertory early in the week, but yesterday's scrimmage showed their effectiveness for the first time in rough play.

STATE—Considerable interest has been aroused over the alumni homecoming day with Middlebury College Saturday, despite the fact that the Vermont aggregation is entirely new to Penn State in athletics. The game this week will mark the first meeting between the champions of the Philadelphia Interscholastic Girls' Field Hockey League last season, by the score of 6 goals to 0.

Darby High proved no match for the Swarthmore players, being downed by the overwhelming score of 13 to 0. The third victory was made against Lansdowne High, the score standing at the finish of the suburban game, 9 to 0.

Therefore, in three contests to date Swarthmore has made twenty-eight goals in three games.

SWARTHMORE GIRLS ARE HOCKEY STARS

Have Scored Three Consecutive Victories, Getting 28 Goals to Nothing

MEET CHELTENHAM TODAY

After running roughshod over its opponents last year, winning eleven games and tying two, the Swarthmore High School's girls' field hockey team has started out to make another good record this year.

Already three games have been played and each resulted in a victory. The first win was registered over the Germantown Friends' girls, who were the champions of the Philadelphia Interscholastic Girls' Field Hockey League last season, by the score of 6 goals to 0.

Darby High proved no match for the Swarthmore players, being downed by the overwhelming score of 13 to 0. The third victory was made against Lansdowne High, the score standing at the finish of the suburban game, 9 to 0.
