CURB OIL ISSUES CONTINUE GAINS

Standard of Indiana, Vacuum and Ohio Marked Up—Mines Rule Steady

New York, Oct. 20.—The curb market was comparatively quiet after the opening with the general undertone firm. Standard Oil of Indiana moved up over a point; Vacuum Oil up 3 points; Ohio Oil up 2 points and Anglo, after early heaviness, steadied. Standard Oil of New York, after a slight upturn, yielded 3 points from the best. Stutz Motors advanced 1½ and Mutual Oil was up a sharp fraction. Mining issues ruled about steady.

OPERATE ON BOARD SHIP

Surgeons Save Life of Woman III With Acute Appendicitis

New York, Oct. 20. — The huge steamship Homeric, of the White Star fleet, brought in yesterday a saloon voyager, Mrs. R. A. Williams, an American missionary from the Congo, who was snatched from impending death from appendicitis by an operation performed four days off the Banks of Newfoundland. The ship's surgeon, Dr. R. S. French, and his assistant, Dr. L. E. Davis, called into consultation the bone reconstruction surgeon, Colonel Fred H. Albee, returning from the Surgical Congress in Paris, who performed the operation.

Mrs. Williams was taken to the Presbyterian Hospital, where she is reported as doing well.

MILITARY ACADEMY IS SUED

Dismissed Teacher Asks $20,000 Damages From Nazareth Hall

The sum of $20,000 was asked by Alexander A. Koorie, of Hudson County, N. J., in a damage suit filed in the United States District Court here against the Nazareth Hall Military Academy, at Nazareth, Pa.

Koorie, a former instructor in Latin and history at that institution, alleges a statement made by Dr. A. D. Thaeler, head of the academy, that he had been dismissed because of an assault upon one of the cadets had done him irreparable injury.

HEAVIEST MAN RE-ENLISTS

Leavenworth, Kan., Oct. 20. — (By A. P.)—Sergeant William Rapar, known as the heaviest man in the United States Army, was discharged at Fort Leavenworth yesterday and immediately re-enlisted. Rapar weighs 880 pounds.

Woman Falls Dead on Street

Hattie Kimbro, twenty-four years old, of 709 Gold street, Camden, dropped dead while walking on Broadway near Line street, Camden, late last night. The body was taken to Cooper Hospital. Death was due to heart failure.

News for Investors

—German marks were quoted in London today at 16,000 to the pound sterling.

—The New York curb has removed from trading Locomobile Company, Tuckney Oil Corporation and Lincoln Motors Company.

—The average price of the twenty active industrials declined 0.74 per cent yesterday to 101.26, while the twenty railroads declined 0.26 per cent to 92.59.

—Kuhn, Loeb & Co. announce subscription books for $5,500,000 Missouri Pacific Railroad first and refunding mortgage 6 per cent bonds, offered by them this morning, have been closed.

—The directors of the Girard Avenue Title and Trust Company in addition to declaring the usual semi-annual dividend of 6 per cent added $94,000 to surplus, making that fund $200,000.

—Of the $18,000,000 at 6 per cent loaned by National City Bank, New York, to the Norwegian Government, $13,000,000 will be used for railroad construction and $5,000,000 for debt service.

—Marconi Wireless Telegraph Company, Limited, of Canada, reports operating profits of $12,253 for the year ended December 31, compared with $68,903 in 1920. After deduction for depreciation, etc., surplus was decreased by $153,362.

—The Minneapolis and St. Louis Railroad has applied for permission to issue $1,500,000 6 per cent equipment trust notes. The carrier proposes to sell notes at 95.5 per cent through Stroud & Co., of Philadelphia, and Freeman & Co., of New York.

—The Philadelphia Stock Exchange gives notice that all transactions in William Cramp & Sons Ship and Engine Building Company shall be stock as the voting trust certificates are stricken off the regular list of the exchange.

—Daily average gross crude oil production of the United States increased 11,050 barrels for week ending October 14, totalling 1,555,050 barrels, compared with 11,544,000 barrels for the preceding week, according to the weekly summary of the American Petroleum Institute.

—The White Motor Company has been steadily expanding production and is now at maximum of the year, at the annual rate of 10,000 trucks. The company has reduced bank loans from $9,000,000 to $560,000 and has $2,500,000 cash on hand. No new financing will be required.

—The St. Louis-San Francisco Railroad was authorized today by the Interstate Commerce Commission to assume liabilities for payment of interest and principal of an issue of $6,000,000 in 5 per cent equipment trust certificates. The securities will be sold to purchase new rolling stock.

—The Guaranty Company of New York is offering $3,000,000 Island of Montreal Metropolitan Commission 5 per cent bonds, to be dated November 1, 1922, and to mature November 1, 1942. The bonds are not redeemable before maturity and are offered at 96.33 and interest, to yield about 5.30 per cent.

—The Government of Argentina has received new bids from American banking firms for loan of about $100,000,000, it was reported at Washington. A loan of $212,000,000 recently was contracted by the Argentine Government with Blair & Co., of New York, but it failed of ratification by Congress of Argentina.

—A feature of the Bethlehem Steel Corporation new 7 per cent cumulative voting preferred stock is that it is noncallable. The existing 8 per cent preferred, which part of the new 7 per cent issue will supplant, is redeemable at the company's option at $115. The total amount of new 7 per cent issue to be outstanding is $77,000,000.

—The Crowell Publishing Company has increased its common stock from 75,000 shares of no par value to 225,000 shares of no par value stock and has distributed 150,000 shares of new stock to stockholders in the form of a 200 per cent stock dividend. The capital readjustment and distribution involved no change in the company's preferred stock, consisting of 12,500 shares of $100 par value.

—Kuhn, Loeb & Co. have purchased $5,500,000 Missouri Pacific Railroad Company first and refunding mortgage 6 per cent gold bonds, Series "D," due February 1, 1939, similar to the bonds of Series "D" at present outstanding. They will be offered at par and accrued interest. The purpose of this issue is to reimburse the company for capital expenditures and to provide funds for the purchase of new equipment.

—Bayuk Brothers, for the three months ended with September, reports net earnings from operation of $291,591. This is after deducting charges for maintenance and repairs of plants and estimated Federal tax, etc. Other income of $7931 brought total net income to $299,523. After allowing $19,382 for depreciation, $43,790 for preferred dividends and $26,200 reserve for first preferred stock, there remained surplus for the three months of $210,151.

—The General Motors Corporation on October 9, the latest date of record, had outstanding in the hands of the public 21,405,435 shares of preferred, debenture and common stocks, according to a statement from the corporation. Of this amount 18,941,866 shares stood in the names of investors and 2,463,569 shares in the hands of brokers. The amount in the hands of brokers was 1,853,496 shares on April 7, 1922, and 1,828,238 shares on October 3, 1921.

—The Public Service Corporation of New Jersey reports a balance available for dividends and surplus, as the result of September operations, of $353,851. This compares with $232,890 in
