SOCCER BOOMING AT MERION CLUB

Four Elevens Are Entered in the Interclub League

CALL TEAMS BY COLORS

Soccer football is having a boom at the Merion Cricket Club this year. Four elevens have been entered in the Interclub Soccer League, two in each division. More than seventy-five candidates are trying for the teams. The first team in the second division will be called the "Blues" and the second in that division will be called the "Greens." These elevens are a mixture of green, young and more or less experienced material, and veterans. This system of calling teams by colors was adopted some years ago by the Interclub Bowling League and proved most successful in avoiding confusion in the newspaper accounts of matches and tables showing the standings of the elevens.

When We Originated the Idea of Giving Caps Away to Match Our Hurlingham Club Overcoats We Thought it Would Appeal Most to Young Men

BUT, truth to tell, the demand for Hurlinghams, as well as all other overcoats that we have to offer with caps to match, are in just as great demand among staid business men and men of all ages.

That's the gratifying feature about this exclusive idea. Everybody seems to want the cap to match. One customer who bought his overcoat from another store declares that he will return it to that store if he can, in order to take advantage of our offer of "a cap to match."

All Our Hurlingham Coats Have Caps to Match
 \$30, \$35, \$40, \$45, \$50, \$55, \$60

All our famous Stratfords have caps to match. All our imported Aquascutum have caps to match, as well as our Eiderscutums, brought in from London and ready for your selection—\$50 to \$85.

By the way, our Hurlingham label is registered at Washington and patent is applied for on the three-in-one belt with the feature of the cash pocket in the belt.

Our Sports Suits Are Very Practical
Special Silk-Lined \$40 New Suits \$29.50
A Brand-New Idea For Suits With Extra Trousers, \$30 & \$35

We have designed them so that they are as good for business as they are for hiking on crisp Fall days and for wear at any kind of sporting event.

\$30 & \$35
 Tweeds, overplaid, herringbones and homespun.

Just as we have captured the town with our 1922 Hurlingham Overcoats with caps to match, so have we made a hit with these fine suits, lined with guaranteed Skinner's silk at a saving of \$10.50.

If you wish extra trousers, you pay \$5 additional. If you do not want them, you do not have to take them. Very few stores will sell you extra trouser suits unless you take both pairs. Just another one of the innovations that is making our store famous everywhere.
