KU KLUX KLAN TOLD TO LEAVE KANSAS Governor Allen Has Attorney General Begin Action to Expel Organization PUBLICLY ANNOUNCES MOVE

Coffeyville, Kan., Oct. 30.—Governor Allen's attack on the Ku Klux Klan has created a stir in the State. The Governor declared he had instructed Richard J. Hopkins, Attorney General, to begin action which he hoped would expel from Kansas every official of the Klan.

"It has taken the old Ku Klux Klan from its grave. It has set up the impossible philosophy that we require religious instructions from marked men whose characters and capacities are concealed by disguise. "In the South and in the Far West it has committed many crimes upon the individual and only recently has invaded this State, which was built strongly upon respect for law and order, and has given us the shocking exhibition at Liberal, Kan., of taking the Mayor of the town by violence, carrying him to a secluded place and whipping him because he refused to allow this masked society to hold a meeting in his hall."

New York, Oct. 30.—(By A. P.)—The National Association for the Advancement of Colored People today sent a telegram to Governor Allen, of Kansas, congratulating him upon his decision to expel the Ku Klux Klan.

GOV. SPROUL URGES STATE TO OBSERVE "APPLE WEEK" Unusually Large Crop Must Not Go to Waste Harrisburg, Oct. 30.—Governor Sproul in a statement from the Capitol today urged observance of "Apple Week" beginning tomorrow.

"Cold-storage plants are filled and other storage facilities are not sufficient to accommodate the balance of the crop. Unless a large quantity of apples can be placed in the hands of consumers in the next few weeks there will be a great economic waste of this valuable food product. "The week from October 31 to November 7 will be observed as 'Apple Week' over the country, and Pennsylvania, as the third largest producing State, has a special interest in making this event a success."
