

WOMEN ARE READY TO OPEN "WIGWAM"

Mrs. Harmon's Faction Will Dedicate Clubhouse on November 24

OTHER POLITICAL NOTES

"The Republican Wigwam," the new headquarters of the Women's Republican Club at 316 South Tenth street, will open formally on Friday, November 24.

This announcement was made today by Mrs. A. H. Harmon, president of the club, following a meeting of the cabinet.

The opening of the new clubhouse, originally scheduled for October 23, was postponed on account of Senator Vare's death.

Guests will be received at the house-opening from 2 until 5 in the afternoon and from 8 to 11 in the evening.

The outstanding event of the week for the Women's Republican Club was a memorial service for the late Senator Vare at Eleventh and Chestnut streets. Three hundred club members were present to hear scores of testimonial speeches made by women who were befriended in some way or another by the Senator during his life.

Resolutions of sympathy were unanimously passed and sent to the Senator's family and Congressman William B. Vare, his brother.

The Republican Women of Pennsylvania, 1511 Locust street, will receive the election returns the night of November 7 by means of a private telegraph wire.

Mr. and Mrs. Pepper, Mr. and Mrs. Reed, Mr. and Mrs. Pincot and all members of the Board of Directors are among the persons invited to be at the club headquarters that night. Refreshments will be served at midnight.

The Delaware County Branch has secured a new headquarters in Media and will meet there November 2.

The Pennsylvania League of Women Voters will hold a rummage sale November 19 at 1936 Market street to raise funds to defray the expense of keeping its members acquainted with the actions of the Legislature. The committee consists of Mrs. Harold de Lancy Downes, Miss Marion Bellis, Mrs. Charles M. Lee, Mrs. Herman L.

Schwartz and Mrs. Edward Y. Hartshorn.

Mrs. J. J. O'Brien, women's publicity director for the Republican State Committee, announces that these speakers have been secured for the following meetings:

Lieutenant Governor Edward E. Biddleman at New Holland today and Lancaster on Monday; Miss Lillian Howard, of this city, at Media on November 2; Patrick Conway and Miss Howard at Quakertown on November 3; Miss Cora L. Cox at 3709 Baring street on November 6 and at the Noble Community House, Abington Township Republican Women's Club, November 14.

"There's an ATLANTIC pump Just Ahead"

Dependability is a grand old word, and in the case of Atlantic it fits three ways: On Quality, on Performance and on Service.

No matter where you buy Atlantic you can depend on getting gasoline unequalled for purity, refinement and uniformity. *That's quality!*

But Atlantic is more than good gasoline. It is **RIGHT** gasoline—correct for present-day motors and scientifically balanced to operate efficiently under every condition of speed, load and temperature a motor gasoline encounters. *That's performance!*

And once you adopt Atlantic as your motor's steady diet, you can depend on always being able to get a supply when the tank runs low. The Atlantic distributing system is widespread and thorough. Anywhere you happen to be, in the great regions in which Atlantic is sold, you may be sure there's an Atlantic Pump on the road you are traveling. *That's service!*
