Notice to Charge Customers

In order to induce early shopping and thus relieve the congestion due to the usual rush of the holiday business, we shall charge all purchases made during November on your December account.
But as many of our customers have asked us not to allow their accounts to be carried from one month to another, all bills for November purchases will be mailed December 1st, as usual, and those who wish to take advantage of the extended time may withhold payment until January 1st. We invite responsible persons to open charge accounts.
