

REACTION IN OILS  
FEATURE ON CURB

Cities Service One of Bright Spots—Durant, After Firmness, Yields

New York, Nov. 6.—The curb market developed a reactionary tendency after the opening, especially in the oil group. There were a few exceptions, however. Cities Service moved up 2 1/2 cents. Standard Oil of Indiana reacted 1/2. Standard Oil of New York, International Petroleum was easier.

Durant, after a show of firmness, yielded a point. Shell Stocks were down 1/2.
