ALLIES STAND FIRM IN CONSTANTINOPLE. Refuse Kemalist Demands and Call for Release of Condemned Editor. TURKS MAY BACK DOWN. Constantine, Nov. 7.—Constantinople is in a fever of apprehension over the Kemalist demands for the evacuation of the allied military and naval forces, the extension of the Nationalist regime here, the imposition of confiscatory customs duties, the condemnation of the Sultan and the indiscriminate arrest of prominent Constantinople Turks.

ALLIES CONTINUE CONTROL. The allied high commissioners have given Rafet Pasha, the new Nationalist Governor here, forty-eight hours in which to release one of the men arrested and condemned to death, Ali Kemal Bey, editor of the anti-Nationalist Sabah. An unconfirmed report today had it that Ali Kemal already had been executed at Ismit.

ALLIED GENERALS FIRM. The allied generals informed Rafet Pasha in clear terms that they intend to retain military authority in Constantinople until it is decided to formally turn the area over to the Turks. Rafet then said he was anxious to agree with the Allies and work in unison with them, but he could not accept outside control in any form.

NO DUAL CONTROL. Meanwhile the allies will be responsible for the maintenance of public security and they are not going to give up that responsibility, Sir Charles insisted. There could be no dual control, he said. His declarations were followed by General Harington and General Mombelli, the French and Italian military representatives here.

PARIS, Nov. 7.—(By A. P.)—The French Government appears to have reached the limit of its patience in dealing with the Turks and is sending more and more to stiffen its attitude toward the Ankara Government. This is the interpretation given to the selling today of the dreadnought Jean Bar from Toulon to join the allied fleet at Constantinople in the face of the Ankara Government's demand that allied warships seek permission before entering Turkish ports.

NEWCASTLE, Nov. 7.—(By A. P.)—Lord George made some sharp references to the crisis which has arisen in the Near East since his fall from the premiership in the political address which he delivered before a large assembly here today. "The Near East is beginning to show symptoms of inflammation," he said. "Whatever happens, our flag must not be let down."

TURKS HALT U. S. RELIEF. Customs Duties Prevent Landing of Near East Supplies. Constantinople, Nov. 7.—(By A. P.) It is feared that all American relief efforts in the Near East may have to be stopped if the Nationalists insist upon the imposition of the customs duties prescribed by the Ankara Government.

FRANCE NAMES PEACE DELEGATES. Paris, Nov. 7.—(By A. P.)—France named today her delegates to the Turkish peace conference to be held at Lausanne. They are Maurice Bonnard, member of the Senate and former Ambassador at Constantinople, and Camille Barriere, Ambassador to Italy.
