NINE ARE VICTIMS

delphia last night in automobile acci-

dents. Two of the accidents occurred at the same spot within three hours.

Mrs. Amy Tams, fifty-eight years old, 1741 North Eighteenth street, was alightly injured shortly before 6 o'clock, when she was struck by an automobile driven by James M. Jack, 1731 North
Twenty-fourth street, as she was crossing the street at Eighteenth and Columbia avenue. She was taken home by Jack, who later surrendered himself to the police of the Nineteenth and Oxford attreets station.

diallenges by the State, but Ed Cooper, finally pre-empted, was examined for twelve minutes after he admitted that he knew one of the defendants intimately and two casually. And Jim Huggins was tendered by the State after he said he had known Clark since after he said he had known Clark

Three hours later, Miss Irene Thal, thirty-three years old, 1910 Berks street, suffered a fractured elbow and bruises when she was struck by an automobile driven by Philip Zeligsolm, 408 North American street. He lost control when he attempted to make a left hand. Joseph's Hospital. Zeligsohn was ar-

at Seventeenth and Montgomery.
Four persons were slightly injured when the automobile in which they were

riding became unmanageable, owing to a broken steering gear, at Sixty-third and Race streets. The driver of the automobile, Paul Dorando, 311 North Avondale street, was arrested on a charge of reckless driving.

With him in the automobile were Louis Dorando, six years old; his brother Nicholas, seven years old, and Amanda Ricci, 200 North Sixty-fourth

morrow for Valparaiso, where he will embark on the battlesian Almirante Latorre for a visit to the ports stricken by the earth shocks. He will be ne-companied by the Ministers of War and Public Works and other officials. The battleship was reported to have steamed northward today, but was called back to await the President.

Valparaiso, Nov. 14 .- (By A. P.) -The inland town Freiring is virtually ruined and scores are dead there as a result of the disturbances of last Saturday, according to a wireless message from the cruiser Chacabace, which has errived at Hunsee. The population of Freirina, numbering 3600 persons, has been cut off from outside communica-

tion until today.

At Huasco the sea rose ten meters. destroying the wate-front structures and wrecking numerous craft. Several seamen were drowned by the huge waves. A tug was swept inland two blameters.

Supplies for the stricken city of Vallenar were landed from the Chacabuca and were sent in mule packs over roads gaping with fissures. The rail-road which ordinarily would have been used was destroyed by the earthquake. The steamer Peru has sailed north-ward with food and medical supplies to succor the inhabitants of the stricken in cities all along the upper coast.

-Earth tremors feit again last night of the observatory, that they were slight in comparison with those which crused heavy loss of life and property in Chile last Saturday.

The reaction to conservation after the war left him on the defensive Luck secus to have turned his way this time. Un how far?
