

# MALLORY, YALE STAR, OUT OF TIGER CLASH

First String Fullback of Eli Varsity Will Hardly Play Against Princeton in Saturday's Game

## SIGNAL DRILL TODAY

New Haven, Nov. 15.—"Bill" Mallory, the hard-playing first-string fullback of the Yale varsity football team, will probably be among those whose throats are missing from the Blue line-up when it crouches down to face the eleven Princeton hunkies in the big game this Saturday.

Mallory has not been in any of the workouts for the last ten days, and his condition has not improved sufficiently to warrant his playing. Mallory is easily the most valuable defensive back in the East.

Yesterday witnessed the last really strenuous workout which the first-string men will receive before the contest. They will now be allowed to taper off with daily limbering-up exercises such as signal drills. The varsity took the field practically as it will face the Tigers. Neidlinger ran the team. Because of a muscle bruise, Cross was kept out of the scrimmage at right guard. Fatty Hertz took his place. Cross will be in shape for the Princeton game.

PRINCETON—The varsity football warriors returned to work with renewed zeal yesterday in preparation for the grand finale of the 1922 season, the classic clash with Yale in Palmer Stadium on Saturday. The severe battering the team received in the Harvard game last week, Head Coach Bill Hober withheld his men from any semblance of scrimmage and contented himself with a snappy drill in signals and a crack at the laugh of new plays that he has kept uncovered.

None of the men who played against Harvard, however, are so badly battered that they will not be in shape against Yale Saturday.

In addition to the regular line-up which took the measure of the Crimson in the Chicago game, and Barr Snively, veteran linesman and star passer, will be available this week.

HARVARD—The complete varsity push line was out again on Soldiers Field yesterday and put in a solid day's work in opposition to the first substitute team. The scrums were not admitted to the stadium field, but kept plugging away on the Yale formations and plays which they are expected to try out against the varsity today. The Crimson list of injured now really comprises only Captain Buell. He was on the field in company with Phil Spalding, his substitute. Neither player was dressed, however. Spalding will be able to play Saturday.

CORNELL—Yesterday's football program was a trifle heavier following a two-day rest. But Coach Dobbie says it that those who had were still stiff from Saturday's encounter with Dartmouth had only a mild workout, consequently a patch-up practice took the place of the dummy scrimmage. The first of a series designed to improve such defects in the defense as Dobbie thinks need attention. Buchanan and Goulois were on the wings; Sullivan, Parker and Sundstrom, tackles; Ebersole, Brannon and Flynn, guards, and Richards, center. Hanson, who was in the thick of every scrimmage against Dartmouth, seems to have fully recovered from the effects of a strenuous game, but Dobbie thought it best for him to take things a bit easy.

NAVY—Enthusiasm rose yesterday when Steve Barchet, for two seasons the star of the Navy Academy back-field, who has been out of the game on account of injuries for two weeks, took part in the whole scrimmage without hindrance. There is every reason to believe that he will be in prime condition for the Army game.

On account of the necessity of strengthening the Navy's defense, the whole afternoon had to be devoted to work in that line and the drilling on the special offense to be used against that Army was deferred for a time. During the first portion of the practice the squad "B" eleven was given the ball on the 10-yard line and tore through the varsity line. Folwell pulled out the varsity and sent in a substitute aggregation, which did much better. Hung by the superior showing of the subs, the varsity players made a much better showing when they returned.

South Phillies Disband  
The South Phillies football team has decided to disband for the season, but its field is still set for practice. The team was made up of players from the Philadelphia area who were unable to play for the Philadelphia Phillies.

## Schwab to See First Game as a Spectator

Easton, Pa., Nov. 14.—Frank "Dutch" Schwab, captain of the Lafayette football eleven and unanimous choice for All-American guard last season, will see his first college football game from a spectator's viewpoint this Saturday when Yale meets Princeton in Palmer Stadium. Schwab has taken part in every one of Lafayette's football games since he entered college in 1910. Lafayette has an open date this week-end, so Schwab intends to see his first college game as a spectator.

## NEW PLAYERS FOR COLWYN ELEVEN

Manager Curry Signs Quartet of Stars to Finish Season With Team

### TWO HARD WEEK-END GAMES

Manager Curry, of the Colwyn football team, is determined to finish the season in a blaze of glory for the Delaware County title contenders despite the fact that the campaign to date has not been quite up to the record attained in former years. This has been due in a large measure to the run of misfortune following in the wake of the team. Not a game has been played but two or three of the best men have been nursing the still lines, but at that a fine record has been set up.

Two more hard games are on the week-end schedule. On Saturday the opponent will be the team of Hunting A. A. will be the opponent of Colwyn on the latter's field and on Sunday Manager Curry and his players will hit the rails for Lancaster, where they stack up against the heavy St. Joseph aggregation.

In order to have the very best club in the field for the rest of the season a quartet of well-known gridiron luminaries have been added to the line-up. The newcomers include Curry and Brough, stars of the Wildwood Club, of Frankford, with the latter holding down the position of fullback. Others signed are Driscoll, former Notre Dame quarterback, and Derwood, of Mount St. Mary's.

That the new players may be accustomed to the signals, Dr. Kerr, of Southern High, the Colwyn coach, will have the team on the field tonight and Friday for several hours' practice. Colwyn is making ready for the big games for the Delaware County championship and which will be played in several weeks.

### DOWNTOWN RIVALS READY

Sphas and Walman Set for Second Game of Series

The South Philadelphia Hebrew Association basketball team and the Walman Boys' Club are all set for the second game in their downtown championship series which will be played at New Auditorium Hall, Seventh and Snyder avenue tomorrow.

The Sphas were surprised by Walman on Tuesday and will not be caught napping this time. Harry Passon's athletes have made the best record in their history so far this year and have won seven of the eight games played. The preliminary tilt also promises to be a hummer. On Tuesday the Walman Reserves played rings around the South Philly Reserves and won 33 to 19. In order to secure revenge on the Walman lads, have signed Phil Lange, a new center from the North Philadelphia Church League.

### HANCOCK CLUB IS READY

Will Represent West Chester in Cage This Season

The Hancock Club is all ready for the opening basketball game, and will represent West Chester in the cage. The season will be inaugurated on Saturday with the South Philadelphia Hebrews as the attraction.

Bookwood and North Phillies will follow, and all the leading teams in this vicinity will be played. The lineup will be: Folwell and Stevenson, forwards; Fossett, center, and Wood and Mercer, guards. Eddie Armstrong is ill at present, but expects to be in shape shortly.

Teams desiring to play at West Chester on holidays and Saturdays should get in touch with O. M. Hopkins, 2341 West Tlona street.
