 Runs with either electric or foot power and changed from one to the other in a moment's time.

\$125 Table Electric Sewing Machines at \$105

\$10 allowance for your old machine, making the price \$95.
 When not in use the machine closes up and has the appearance of a library table or writing desk. In colors to match your furniture.

The Best Opportunity that has come to buy electrical sewing machines.
 —Gimbel's, Fourth Floor and Subway Store.

The Gimbel Store leads in value-giving, through economy of operation and the three-store buying power. It is economical for a manufacturer to sell Gimbel's—it gives him orders that keep the factory going, and the selling of great lots in a bulk wonderfully reduces expenses.
 No mere price-cutting meets such a system of merchandising.
 We serve—with the splendid assurance of safety and results you feel when aboard the Broadway Limited.
