

LANDIS TO DELIVER EULOGY OF BACON

Memorial Services for Deceased Actor Will Be Held at Chicago Theatre

BURIAL IN CALIFORNIA

Chicago, Nov. 20.—The body of Frank Bacon, famous as a character actor, rested today at the hotel here where ten years ago he wrote part of the play "Lightnin'."

Pending arrival of a son, Lloyd, from California, Mr. Bacon's body will remain at the hotel until Wednesday, when memorial services will be held at the Blackstone Theatre, where he appeared daily for more than a year until he collapsed after the final curtain a week ago.

Kenneth Mountain Landis, baseball commissioner and former Federal Judge, close friend of Mr. Bacon, will deliver a short eulogy at the Wednesday services, which will be in charge of the Christian Science Church, of which he was a member, after which the body will be placed in a Chicago vault, there to remain until next summer, when it will be removed to Mountain View, Calif., Mr. Bacon's boyhood home.

Thus the body will find its last resting place in the soil of his native State, in which he had not appeared since his recent phenomenal rise, as a film burning ambition, it is said, was to appear as "Lightnin'" in California, which he planned to do in 1924 after an appearance at Boston, which was to have commenced Christmas Day, and later in Philadelphia.

Messages of condolence from hundreds of public men and actors, and addresses have been received by "Mother" Bacon and other members of the family.

San Francisco, Nov. 20.—(By A. P.)—In Sutter County, his birthplace, in the theatrical district of San Francisco, and in the Santa Clara Valley, Frank Bacon is being mourned today. In his death at Chicago yesterday vanished a most pretentious theatrical wish—the anticipation of "Frank's" return to his old haunts in the role which made him famous.

As a barefoot boy sheepherder in the great Sacramento Valley, as an advertising solicitor and then as an actor, Bacon formed contacts throughout California which made the first story of his success in "Lightnin'" a cherished bit of news.

At Lincoln district school in Sutter County the children today heard the story of his death and his success seated in the classroom in which he had once been a pupil.

New York, Nov. 20.—(By A. P.)—The news of the death in Chicago of Frank Bacon, veteran actor and star of "Lightnin'," came to hundreds of fellow actors over banquet tables last night.

George M. Cohan, toastmaster at the annual banquet of the Friars' Club, read a message telling of the death of "Lightnin' Bill Bacon" in Chicago. Then he asked for two minutes of silent prayer "for one of the finest actors the American stage has ever produced."

Marysville, Calif., Nov. 20.—(By A. P.)—Older residents of Marysville, who remembered Frank Bacon as a boy about town, in the days when Marysville was the principal relay point of all stage lines moving to the high Sierra gold mining towns, received news of his death in Chicago yesterday with feelings of sorrow.

News of his death revived a discussion among the old-timers, which was started almost a year ago in the Marysville appeal, when residents of Yuba City, just across the Feather River from Marysville, asserted that Bacon was not born in Marysville, but on a ranch in Northern Sutter County, where he first herded sheep. Yuba City, being in Sutter County, is anxious to gain the distinction now held by this community.
