TYPISTS	ACCOUNTANTS I have a new philosophy; put it into effect a short time ago; said to my- self. "Why continues to be an ac- countant, when I can make more money dains something elset" The men who make the most money are the men who sail. I therefore looked about and found the thing that was easiest and most profitable to sell: never will I be an accountant again; the very first week with this cor- poration netted me more money than I had made as an accountant in 2 mofths: not only did I make the hig money, but I carned a PRUMO- TION: this is a company where a man's ability is instantly recor- nized, and rewarded: I am now; don't have to go out and sell any more; my business now is to train and direct the sales of others; have the opportunity to earn well over \$12,000 a year; I simply had the courage to snap the chains that bound me—striking out in this new field—to do my best, and sure? I have the opportunity to earn well over \$12,000 a maif, you need never worths in a the in store for you with it is out qualify, you need never worry again about money or what the future has in store for you what he future has an in store for you what he future has in store for you what he future has don't money or what he future has don't money or what he future has in store for you what he future has an in store for you what he future has don't money or what he future has he don't money or what he future has he don't money or w			The man who has a "GOOD"	To a man of calibar and appearance be- ten americation that is not only permanent, but highly remuterative. Tou will be a tren an enciration that is not only permanent, but highly remuterative. Tou will be a tren an opportunity to represent come of the biggest men in the fulliling fractes. Real Selate, Architectural and kindred lines, where experience is not absolutely essential if you have the above regulates. A con- nection with us at this time is unusually st- tractive, for we are just opening a Palla- dephia, Branch, making possible this oren- ing. You will work with a competent man- ners, who is capable of siving you every possible assistance, both in instruction and work in the field. Applications from other towns and cities in this territory acceptable. For commental interview write, siving phone number if possible A SBO, Ledger Office.		
We have several permanent positions to offer bright experienced or inexperi- enced attemptophers and typists.
