Nationally Known Optometrist of This City Succumbs After Long Illness

WAS PROMINENT WRITER

T. Haines Moore, nationally known optometrist and one of the oldest practitioners of that profession in this city, died Sunday at his home in Ventnor, N. J., after a prolonged illness. He was sixty-five years old, and had conducted an office at Spring Garden street and Ridge avenue for about thirty-five years.

Through his writings in optometrical journals Dr. Moore gained a national reputation in the profession and was a frequent speaker at conventions of optometrists throughout the United States. He continued his writings until shortly before his death.

He was a member of the State board of examiners in optometry at one time, and was president of the Philadelphia Society of Optometry for a period of about ten years, having been first elected at the time the society was organized. In the practice of his profession Dr. Moore was quite successful and died wealthy.

A short time before his death he selected pallbearers whom he desired to have serve at his funeral. They were chosen from among Philadelphia optometrists and include Dr. William McCaffrey, Dr. Marcus Rothschild, Dr. John H. Harman, Dr. R. A. Tollinger and Dr. William G. Walton. Dr. Moore was an active member of the Masonic fraternity, being a member of St. John's Commandery and Lu Lu Temple of the same order.
