LAST CLOVER DAY BEFORE CHRISTMAS

WITH the many excellent lots that will hold over from to-day—and the hundreds of entirely new value groups that have been purposely withheld in order to give fresh interest to the second Clover Day—there will be fully as many if not more money-saving opportunities available to-morrow than there were to-day. Hundreds of gift values, hundreds of apparel opportunities, hundreds of economy groups of things for the home. And remember—charge customers need not pay for to-morrow's purchases until January.

Here are only a few of the nearly a thousand opportunities to save. You will find them wherever you see the four-leaf Clover sign.
