POLICE PUT BAN ON KLAN PARADES

Director Cortelyou Says He Will Crush Any Attempt to Usurp Authority KLEAGLES SEEK RECRUITS Director Cortelyou, of the Department of Public Safety, has warned the Ku Klux Klan that its new attempt to return to power in Philadelphia will meet a vigorous counter movement by the police. Director Cortelyou said today that the Klan is again active in this city and has started a concerted drive for increased membership—the first outward show of action from the Klansmen since the organization was virtually cleared out of the city last July. The "Invisible Empire," or any other organization which attempts to take into its own hands the duties which belong to the police, will be "crushed at its first show of power" and its officers will be made to answer for any depredations committed, Director Cortelyou announced. Recently prominent business men in the city have received letters from certain leaders of the Klan urging them to fall in line under the Ku Klux banner. The letters have been turned over to the police authorities. To counteract the propaganda the Director said he would not permit any demonstration by Klansmen in this city. Calls Claims "Tommyrot" "We place the detection of crime and the source of order in the police forces of our communities," he said today. "To permit a secret society to seize that power is to open the way for gross abuses and for distinct menace not only to individuals but whole classes of our people. "Secret operations through intimidation will not be tolerated to the extent that the operators call themselves the Ku Klux Klan or something else. The claim that the order purposes merely to enforce moral laws, to stand for the right and to protect the home is all Tommyrot. Every self-respecting citizen is for those things, and we want any secret organization which pretends to enforce them. "As I have said before, I will hold the officials of the local organization responsible for anything which the members of the Klan do in violation of the law. "Snuffer for 'Fiery Cross' "I will not permit any 'fiery cross' demonstrations or parades of white-robed men wearing hoods through our city streets nor any frightening children but adults, and I will not permit the Klan to investigate and punish all the 'Kleagles' and such other persons as are responsible for the Ku Klux Klan or other crimes alleged to have been brought about by members of the Klan. "Ever since they started their new membership drive, not only in this city but throughout the State, I have been keeping a close watch. "The last attempt of the Knights of the Ku Klux Klan to become an active organization in this city took place July 13 in the Grand Fraternity Hall, Sixteenth and Arch streets. About twenty men joined after paying a \$10 fee. "Although the exact number of Klansmen in this city is not known, it is believed the total active membership is fewer than 2000.

Liberty, Kan., Nov. 30.—(By A. P.)—The Mayor and Town Council last night by unanimous vote rejected the claims of Theodore Schierman, former Mayor, for \$20,000 damages as a result of his alleged flooding recently by a body of masked men claiming to represent the Ku Klux Klan. The claim was presented by Walter Keith, defeated Democratic candidate for County Judge, who denounced the Klan in his campaign. Keith stated that Schierman, who has resigned as Mayor and has moved to Nowata, Okla., will begin suit for the amount asked in Federal Court.

Deland, Fla., Nov. 30.—(By A. P.)—Mrs. Alice E. Shields, formerly of Kansas, who was arrested after an investigation had been made by the Ku Klux Klan and charged with the murder of her husband last February, was discharged yesterday when the State Attorney said he could not master witnesses who had removed from the State. The woman had been in jail since shortly after the killing. The killing occurred one night as the couple rode along an outlying road. Mrs. Shields declared her husband had been shot from ambush. A Negro employed by which was then arrested, subsequently Mrs. Shields is said to have written the headquarters of the Ku Klux Klan and asked that the Negro be summarily hanged by the Klan. The Klan could not be located and after a lengthy examination said to have been based on information gathered by Klansmen, the woman was arrested and the Negro released.

Atlanta, Ga., Nov. 30.—(By A. P.)—The Imperial Klansmen here of the Knights of the Ku Klux Klan formally closed early today. A new constitution with a clause prohibiting the Klan affiliating with any secret organization and carrying a penalty of expulsion from the Invisible Empire for any one who aids or abets such organization was adopted. One of the most important points of the new constitution provided the Imperial Wizard hereafter shall be elected by the Grand Dragon, or State chief. There shall be no nominees for this position and each dragon shall vote for one Klansman in good standing. The voting streets will be regulated by the number of Klansmen in each State. The term of officers was fixed at three years.

CROATIA INDEPENDENCE AGREEMENT REVEALED Italy's Dalmatian Claims Agreed To as Part of Bargain Belgrade, Nov. 30.—(By A. P.)—The existence of what appears to be an agreement between the Frankish-Croatian Independence Party and the Italian and Magyar Fascists to establish and guarantee the independence of Croatia in exchange for the satisfaction of Italian claims in Dalmatia is revealed by a document published here yesterday by the newspaper "Vreme." The document is signed by Colonel Dabich, representing the D'Annunzio Italian Fascist, and Deputy Antonio Grandi Fascist, president of the Italian committee in Budapest. The agreement contains nine articles. It provides for joint action to realize Italian claims in the third zone of Dalmatia and Fiume as well as Croatian national independence. It discusses the moral and material methods to be employed as a means of achieving the desired end, and speaks of the creation of an Italian-Croatian legion at Fiume. The agreement also seeks a separate agreement for concerted action in Hungary between the Croat Committee and the Magyar Fascists party. The document, dated Vienna, November 5, has created a considerable stir here.

Daly. The distinguished poet and humorist, who already has celebrated this beautiful appendage of Fairmount Park in his verse, has produced an interesting little volume outlining the history and describing the physical aspects of the Valley of the Wissahickon. The compiler of the volume has drawn upon "Fairmount Park and the Wissahickon," "Exquisite Trees," by Mrs. S. K. Kewer; "The Wissahickon in History, Song and Story," by Joseph D. Birkhoff; "Germanstown, Gardens and Gardens," by Edwin C. J. Blett; "The Pennsylvania Archæology," Elizabeth Simpson Green Elliott gave the description for the cover of the little volume. Kirbell Bayes contributed a photographic frontispiece, John A. MacFarlane contributed information incorporated in the book, and Prof. Frederick Ehrenfeld, Alexander MacEwan, George B. Kiser and William Henry Trotter contributed "snow" illustrations. The book is embellished with drawings by Herbert Pullinger.

ASK PASTOR TO SAY WHY HE BACKS KLAN

New York K. K. K. Organizer Is Called Upon for Explanation by Deacons The decision of the deacons, said S. Raymond Estey, chairman, meant that Mr. Haywood would be examined to ascertain whether, in his activities as a Klan organizer, he "violated the principles of the church or impaired his usefulness to it." The Rev. John Roch Stratton, pastor of the congregation, who presided at the session of deacons, announced immediately thereafter that he would preach next Sunday a sermon on "Americanism Menaced by Klanism and Sectarianism." The date for Mr. Haywood's appearance before the church board was not fixed, according to Mr. Estey, who said he would await the evangelist's acknowledgment of his night's action before arranging the meeting.

After Dinner Tricks No. 332—The Long Ravling A short piece of cotton thread about two inches in length is hanging on your coat. Some one sees it there, obligingly states to remove it. When he draws it away he finds to his surprise that the thread is apparently endless, and keeps on coming as long as he continues to pull it. The secret is a spool of thread in your inside pocket. Previously put the end of the thread through a needle and push it through your coat. Then remove the needle, leaving several inches of thread showing. Naturally when some one attempts to remove the "it-the-bit" of thread he finds he has taken on a bigger job than he supposed! Copyright, 1922, by Public Ledger Company
