THE HOUSE OF MOHUN By GEORGE GIBBS

Author of "Youth Triumphant" and Other Successes Copyright, 1922, D. Appleton & Co.

WHO'S WHO IN THE STORY THERRY MOHUN, up-to-date girl, rich and charming, at once irritated affracted by AVID SANGREE. young American

ethnologist and war reteran, amazed by changes in manners and customs by changes in the star, but interseted in Cherry. His modest funds are invested with her maker, JIM MOHUN, a self-made financial leader. Too busy to think of his children he leaves them to

TRS. MOHUN, who has successfully collicated the social side of life. PRUCE COWAN, a motoroar sules. men, of cave-man type, of schom Cherry imagines she is enamored.

10B MOHUN, son, is a typically reck-BORGE LYCETT, elderly chorus, sophizing as the story develops. HN CHICHESTER. whom Mrs. Nohun would like to call son-in-law.

So David Sangree fled incontinently into his bedroom, seizing underwear, wagers and shirt as he ran, aware hat Cherry had entered almost imadjately behind him. With the an slarm be got into his discarded Chichester, then." lothing, even to collar and cravat. md in a few moments reached the Gorway, flushed, disturbed, grinning fatuously and still fumbling at his

But as he entered the room she turned, thrust out an arm to him, smiling her twisted smile. "I hope you don't mind my coming

-" she began. "Mind! Good Lord, no. I'm delighted-very. But surprised. You ee I'm not used to visitors-especially -" He paused.

"Especially girls?" she put in. "Well-er-you see, girls don't come

"I knew it, But I knew the number talk to him-ask his advice at a time of your suite, took a change and walked like this. He's got to have his changethe stairs. The boy at the door without worry of any kind." thought I was a charwoman, I hope. 'Of course, And your mother under-I have on my old clothes," she ex-

Sangree was regarding the door bibliously. "I'm not quite sure that liness she's so very like a child!" I ought to let you stay, Cherry."

Peated. "Something happened today. it less radiations straight here."
"Nothing serious? Nothing——?"
"Yes, if I class radiations and the more mature, it less radiations. She spoke more quietly now as though in the actual presence of her were the presence of her moral obligations."

"Nothing serious? Nothing—"I moral obligations.

"I must tell you the whole miserable business are from the beginning. The need of advice—the advice of a friend—"She paused and then failshed with a dublous smile—"even at the risk of my reputation."

"It makes me haves to think that

at the risk of my reputation."
"It makes me happy to think that you'd some to me. I've wanted to help you, Cherry. I thought you'd forsotten me."
"I hadn't. But I've been fearfully busy. You know we have scarcely any serrants and I have to help."
"Things are so bad as that?" he haked as she paused. haked as she paused.

and nodded.

"Oh, things are just about as bad as they can be—except for Dad. They think he's better, thank God. But brerything else—oh, it's a devil of mess."

"There will be nothing from the breck?"

"Nothing so far as I can see nothhe that is—except me."

He examined her face with a puzzled

The slight shrug and the compression of her lips were bitterly ironical.

"I don't think I understand," he muttered, though glimmerings of her maning were coming to him.

muttered, though glimmerings seaning were coming to him.

Her lips opened to curl unpleasantly.

It's very simple. I'm the only asset left to the House of Mohun—''

"You mean that you ____".

That I'm for sale to the highest
Mdder—preferably John Chichester."
the said calmly.

"Charry!"

"Cherry!"
"Tee. He wants me. It's beautlully simple. I want to marry him.
The family honor is saved. That's why
teams to talk to you. An impulse.
Ten think I'm mad to come here. Perceme to talk to you. An impulse. Ice think I'm mad to come here. Perhaps I am. I had to talk to somebody—set Muzzy or Bob, or even 'Genic—somebody who can think for me. I can't any mass. I'm just at the paint where I'll de something foolish one way or the other."

de something foolish one way or the biter."

She was speaking rapidly, breathlessly, the words tumbling forth end over end, but there was a lively sequence in her phrases, between which he wad meanings she did not utter.

"Your mother—?" he began.

"I want to be loyal to Muszy," she asped, throwing out her arms in a speless geature. "I want to be loyal, id like to think she had a right to ask this of me if I could, Rameses. But I can't somehow. I'm incapable of judging. Oh, I've thought and thought, but thinking only seems to make things wome. I can't think of anything exhibs scrubby mustache." She has scrubby mustache." She has scrubby mustache." She has scrubby mustache." To me and thought has scrubby mustache." The me and thought has scrubby mustache. The service of a mere mustache. The same as a horror—of a mere mustache. The same as a horror—of a mere mustache. The same as a horror—of a mere mustache. The same as a lively seems at the gas log.

meriah activity of a fireman responding Jou-er-do not care for-er-John

She glanced at him quickly and shrugged. "Need you ask?" she said. Sangree raised his head abruptly, "I suppose I should have known." "There's no question for caring for

Cherry was standing by the table. She went on. "Muzzy realizes one of those queer intuitions that women that as well as I do. But she has set have. She began encouraging me to go out for exercise, to go to see 'Genie, and other people. And one day I saw sense of duty to the family, to her, and to—to Dad. That's how she reaches to me—hurts me—here." She put both hands to her breast as though to still a sudden pang of conscience. "I would he was under instructions that women have. She began encouraging me to go out for exercise, to go to see 'Genie, and other people. And one day I saw John Chichester leaving the house as I came home. It seemed as though to still a sudden pang of conscience. "I would he was under instructions. I beday to the service in the top out for exercise, to go to see 'Genie, and other people. And one day I saw John Chichester leaving the house as I came home. It seemed as though to, but he didn't speak and the lighter around me. He came to see me too, but he didn't speak. I be and the lighter around me. It seemed as though the was under instructions. I be and the lighter around me. It seemed to see me too, but he was under instructions that women have. She began encouraging me to go out for exercise, to go to see 'Genie, and other people. And one day I saw John Chichester leaving the house as I came home. It seemed as though the lighter around me. It seemed to see me to se Met catching little iridescent threads that as well as I do. But she has set hands to her breast as though to still a too, but he didn't speak. Evidently suck and chin. Her figure gave an imsudden pang of conscience. "I would he was under instructions. I hand't pression of alertness like that of a do anything for Dad even to selling myself as Muzzy wishes. But somehow usfamiliar neighborhood, poised delican't think that he would ask this way my duty lay. It was ghastly. I cately for flight. of me. He was never ambitious—in hadn't disliked him before, but now business, yes—but not socially, as I had a positive distaste for him. He Muzzy was. He often told me never ery. I saw hideous things in him-I to marry a man unless I was sure of couldn't forget what I had heard—hidmyself. But I can't talk to him. He's cous things that he had been-that he in a very dangerous condition. He just might still be. He had never been objectionable before. I was overwrought, you see—the more so as the obsession intervals in which he tries to talk. He's grew that it was my duty to marry getting better. I'm sure of it. Sometimes I think he knows everything that his breath, "you shan't." is going on. There's a kind of wisbee. It's a bachelor apartment house dom in his eyes, like a child's, poor dear. and he's very submissive. But I can't

Yes. But I think she resents it a little that he should have failed her at a crucial moment. With all her worldeight to let you stay, Cherry."

She smiled down at her fingers, which is had forgotten to let go.

"If I don't care, why should you?"

"No. He hasn't. But he has spoken

"No, thanks. I shan't stay long."

As the glow from the lamp reached ber face, he thought that she looked wary. Her cheek bones seemed higher, there were faint touches of purple around her eyes, and the scarlet of her lips was faded. There was, too, a sober pucker at her brows born of some faner commotion. She waited a moment until he was seated before sie. ment until he was scated before she for her combat with the world. He thought her more mature, if less radi-

moral obligations.
"I must tell you the whole miserable

MUSICAL INSTRUCTION Piano Playing Taught Beginners in 20 Lessons OPEN EVENINGS Muzzy did. It was a feather in her cap. He was a catch. It was the brilliant match that she had been preparing me for, I didn't realize it. I didn't want to realize it. I didn't want to realize it. I was perfectly contented with boys of my own age. But she thought that in time I would understand the meaning of the magnificence of becoming a Chichester.

I didn't. It boxed me horpibly. She I didn't. It bored me horribly. She took me to luncheon at the Chichester house to be looked over by the old lady. I felt like shocking them to end the farce, but I didn't. I think it amused me a little to see how beautifully I

muster." She paused as though awaiting com-She paused as though awaiting comment—but none came. Sangree, his later in the first state in the first stat nothing to pay them with. I had a scene with Muzzy—in which the old subject was renewed-my responsibility to Dad. It made a painful impres-

could behave. It seems that I passed

on on me."
"Poor Cherry!" he muttered.
"Then suddenly the other day I had an idea that Muzzy was in communica-tion with John Chichester without my "There's no question for caring for knowledge. I don't know why—just him." she went on. "Muzzy realizes one of those queer intuitions that women
