and the Federal Farm Loan Board.
Introduced by Senator Learned, Republican, of Wisconsin, and Representative Anderson, Remblican, of Minnesota, author and chairman, respectively, of the Congressional Agricultural Commission, the bill would utilize the existing Federal farm-loan system as a basis by creating within it a farm-credits department, through which, it was declared, potential credit facilities would be provided for farmers short and long term loans to the extent short and long term loans to the extent of at least \$600,000,000.

Name of at least \$600,000,000.

Significance was seen in the introduction of the legislation, because of
the recent White House conference attended by Secretary Waliace, Senate
Watson, of Indiana, and a dozen other
-Republican Senators, at which the
farm-credits situation was discussed
thoroughly and an agreement reached to
provide comprehensive credit machinery
for the farmers through the Federal
farm-loan system.

THE greatest proof of Sonora's value is its popularity, but back of that popularity is the Sonora tone which has revolutionized phonograph history.

Such exceptional clarity and charm of reproduction early won the applause of musical leaders. Then one by one a vast public listened, became convinced, and desired to own "the Highest Class Talking Machine in the World". Between the Sonora model that is exactly suited to your needs, and an inferior machine, there may be no difference in price. The difference in satisfaction, in pride of possession, in purity and fineness of tone is incalculable. Sonora's loyalty to an ideal has won the public's loyalty to Sonora. It is worth your while to hear the new Sonora models.
