GENERAL CHANG CHINESE PREMIER

Military Party Believed to Resume Control of the Country

PRESIDENT LI MAY RETIRE

By Associated Press

Peking, Dec. 19.—General Chang Shao-Tseng, the military leader, has been appointed Premier, with the approval of Parliament. His selection, which was supported by General Tsao-Kun, is believed to indicate the intention of the military party to resume control of China.

The Chinese newspapers published reports to the effect that President Li Yuan Hung will soon retire and that General Tsao-Kun, with the backing of General Chang Tso-Lin, is preparing hostilities against General Wu Pei Fu for early spring, with the purpose of placing the Peking Government completely in the hands of the militarists.

The appointment of Chang Shao-Tseng to the premiership is declared to be a concerted move of the militarists to regain control. It is said that with the support of the military group in sixteen provinces, Tsao-Kun induced President Li Yuan to nominate the new Premier, and that Parliament voted almost unanimously in his favor. This is taken to indicate that Parliament is ready to support General Tsao-Kun's ambition to succeed to the presidency.

General Tsao-Kun has effected an alliance with General Chang Tso-Lin, the Manchurian war lord, whose army is provided with modern weapons and ample supplies. As an ally of Tsao-Kun the Manchurian forces are said to be prepared to start a campaign against General Wu Pei Fu.

The latter announces that he is ready to open hostilities in an effort to save China from falling into the hands of the militarists. President Li Yuan-Hung attributes the collapse of his hopes of unifying China to the military group.

General Chang Shon-Tseng succeeds Wang Ta-Hsien as Premier of China. The latter was designated by President Li Yuan-Hung as acting Premier early this month in a ministry supplanting that headed by Wang Chung-Hu. General Chang, who became Military Governor of Sulyaucheng in 1912, has not occupied a prominent place in Chinese affairs for several years.

General Tsao-Kung was favored for the presidency at the time of Li's election last summer, and his name has recently appeared as a possible candidate for the presidential chair. Dispatches this month have indicated that Tsao-Kun and General Chang Tso-Lin would come together in an effort to isolate General Wu Pei Fu, whose hold over the Government was said to have weakened.

PEARL WHITE, FILM STAR, RETIRES TO SWISS CONVENT

Queen of Screen Thrillers Is on Her Way to Europe

New York, Dec. 19.—Pearl White, queen of the American cinema thriller, is on her way to Europe to enter a convent, according to information last night. Miss White sailed on the steamship Majestic last Saturday, leaving most of her friends with the impression she was going for her usual winter abroad, where she is as widely known as at home.

It was learned that at an elaborate farewell party given in the actress's honor last Wednesday night at the Cafe des Beaux Arts by Texas Guinan, Miss White in a brief speech told her plans; asking that they be kept secret. She said that shortly she would leave Paris for Switzerland, retiring to a convent in the Alps. It is not understood she is to become a nun.

Miss Guinan, a lifelong friend of Miss White, said Miss White had announced earnestly, "I am tired of all this, and I have done my share; now I shall enter the convent and for the first time in my life get a real 'close-up' of myself."

Daughter, 13 Years Old, Accompanies Aliens to New York

Cleveland, Dec. 19.—(By A. P.)—Eight aliens, including one woman, left here today in charge of immigration officers for New York. From there they will be deported. The woman was charged with having stolen the affections of her sister's husband. With her was her thirteen-year-old daughter.

The woman, with her daughter, arrived in this country July 22 from Hungary, where her husband died recently. She made her home with her sister at Martins Ferry, O., until the latter, claiming she had won her husband's favor, ejected the woman and child who then become public charges.
