AN OPTIMISTIC PHILOSOPHY

An optomistic philosophy rightly understood does not teach that life is merely a long, even holiday, that there are no minor strains in what might be termed its daily music, no problems to be solved, no bread to be earned, to fired bodies that welcome the rest of the night, no burdens to be shared with friend, neighbor, relative.

It does teach that we should always took for the best there is, and always

expect to find it, and that we should never allow ourselves to indulge in tears and forebodings, and to stand trem-bling and helpless when the problem arises, when the distressing circum-nance presents itself, when the work is to be done, and perchance the sorran or bereavement to be borne.
