TRAFFIC MANAGERS
Salary ranges $3000 to $10,000 yearly.

We would like to hear from capable men who wish to qualify for important railroad and industrial traffic work, leading to traffic managerial positions, handling foreign and domestic shipping.

Our organization, with a large staff of interstate commerce, railroad and ocean traffic experts, with representatives throughout the United States, is in a position to help meet the demand for trained men in this field.

Experience is not necessary if you are ambitious and willing to learn, as this training can be done while holding your present position; accepted members will be placed under the direct supervision of one of our staff, an experienced interstate commerce and railroad traffic expert of national reputation.

Write for Booklet K-4 and full particulars, and a personal interview will be granted.

HOW TO BECOME AN ACCOUNTANT
Conditions and general business developments point to an increased demand for junior and senior accountants within the next 6 months; salaries ranging from $3000 to $4000 a year.
Our corps of certified public accountants—the best to be found in any institution in the country—has worked out a short-cut system which will qualify you for junior accountancy within a comparatively short time; this naturally leads quickly into senior accountancy as you progress in your knowledge of the subject.
Find out about this plan, which does not interfere at all with your present work; no obligation.
Call, phone or write Department A-20.
