## **WORDY ROW HALTS LAUSANNE SESSION**

enizelos Attacks Turks Over Deportation of Greeks From Anatolia

#### VOICES RISE TO HIGH PITCH

By Associated Press

Lausanne, Dec. 21 .- A wordy alteration between ex-Premier Venizelos of Greece and Riza Nur Bey, Turkish ationalist delegate, caused Signor Montaona, president of the Near East Conference Committee on Minorities, to abruptly end this morning's session of the commission.

The dispute was over the question of liberty of emigration. M. Venizelos Mitterly attacked the Angora Government and protested against the alleged deportation of Greeks by the thousand from Anatolia.

Riza Nur replied in the same vein, charging Venizelos with being respon-sible for the Turco-Greek war and its

with absolute freedom of religion and language.

It was also arranged that schools maintained by the minorities, especially the Armenians, shall be helped financially by the Turkish state in cases where the minorities have insufficient with a specially with regard to the Republic which borders on Mr. Fall's home State differs from the hated watchful waiting of Woodrow Wilson.

and sincere, he would be satisfied to and where he would be satisfied to take his chance from a different angle and where he would not be thrust so prominently before the public eye." Ellis Oberholtzer, for six years a member of the State Board of Censors, said: Will Hays was "two-faced"

"It's disgusting, simply disgusting:
if a han was put on that man's pictures
once, it should not be lifted, and Mr.
Hays was not sincere in the statements made when he stopped the pictures

"The very fact that Hays is permitting the release of the films shows that he is twe-faced, he is being re-vealed in his true colors by this action, ing to the motion picture people and trying to keep on the right side of women at the same time is more than any one human can get away with.

"It all proves conclusively that Mr. Hays has no sincerity, and I think it outregeous that Arbuckle should be permitted to return to the films."

"It all proves conclusively that Mr. Fall found his hands tied with respect to Alaska. Authority over public lands in this territory does not in the advice of H. When cross-examined, Thaxton was unable to say whether any guns were in the truck. "I did not see any," he said.

"According to Charles W. Middle-kauff, assisting the prosecution, the State may rest its case tonight or early tomorrow.

"This is a torigonal formation of the best oil experts, who are unbiased, is that Mr. Bain also was misled.

Then Mr. Fall found his hands tied with respect to Alaska. Authority over public lands in this territory does not in the truck. "I did not see any," he said.

"I'm just as innocent as she is," he said, "and I still believe I've got a chance. I have not relinquished my faith in God.

"This is a torigonal formation of the best oil experts, who are unbiased, is that Mr. Bain also was misled.

Then Mr. Fall found his hands tied with respect to Alaska. Authority over public lands in this territory does not provide the said of the provide a statement today affirming his joy at his sister's release and his confidence in his own exoneration.

"I'm just as innocent as she is," he said.

"I'm just as innocent as she is," he said.

"I'm just as innocent as she is," he said.

In the Senate.

Intervening with an address in behalf of the bill in the deadlock existing between supporters of the measure and the group desiring to lay it aside for the

lation.

"Government aid would help ship-building and all its allied industries," he asserted, "and would give employment to tens of thousands of men. The construction of a ship calls upon every State in the country. We must have steel from Minnesota, copper from the Rocky Mountain States, lumber from the South and the Great Northwest, coal from Pennsylvania or West Virginia, and oil from Oklahoma or Texas.

"The men who build the ships must be clothed, they must be fed, they must sible for the Turco-Greek war and its consequences.

The voices of the two delegates rose to a high pitch, both speaking at the same time and refusing to heed the pleadings of the president that they calm down. In view of this, Signor Montaona declared the session adjourned amid confusion.

Tespite this incident, considerable progress was achieved today on the troublesome problem of minorities, Subject to settlement of the dispute over the designation "non-Moslem" in all reference to minorities in Turkey, to which the Allies are opposed, the delegates reached agreement on the clause providing that all the inhabitants of Turkey shall be equal before the law, with absolute freedom of religion and language.
