

The Woman's Exchange

To Remove Grease Spots
Dear Madam—I am coming again to your helpful column. This time I will tell you how to remove grease spots from the wall in a place a blotter has been used on.

Scent for the Hair
Dear Madam—Will you kindly tell me how to make at home something to scent the hair with? What would be an inexpensive gift to give a girl friend? She is an engaged girl.

LOVE NOTES

By KAY KRAV
When Winter Comes
Alas! After the first year a loveless marriage is apt to look like Coney Island in January.

Only a Little Overweight

To the Editor of Woman's Page:
Dear Madam—I am eighteen years old, not quite five feet and weigh 115 pounds. Is my weight correct? If not, what should I do? What is good to eat? What should I do for exercise? Also, what should I do for my skin? As I never write before, I hope this will be a success.

Once a Year
comes this great Down Stairs Sale of Wanamaker fashions in the year's merriest holiday week. Pretty frocks and fine coats by the score that are worthy of the Christmas gift gold which so many Philadelphia women so gladly invest in them.

Sample Frocks Specially Priced \$18.75
One, two or perhaps three of a kind, all at least a third less than their standard price. Coat dresses of Poiret twill with bands of astrakhan cloth at collar, cuffs and skirt hem.

Cloth Frocks Specially Priced \$9.65
Tailored dresses of exceptionally good wool eponge in navy, tan and brown. Almost twenty street models in Poiret twill, braided or embroidered. Remarkable velveteen frocks in street shades.

Silk Dresses and Cloth Dresses Specially Priced \$16.50
Poiret twill street dresses show unusual combinations with bright-colored duvetyne, silk embroidered. Other Poiret twills have braided circular skirts and new pretty kinds of sleeves.

Other Coats With Furs Marked Down to \$20
Odd coats of fine velour or bolivia now lowered a fifth from their early-season prices. Blouse back and straight-line styles, some braided and embroidered. Collars of beaver-dyed coney.

Silk and Cloth Frocks Specially Priced \$12.75
Youthful models with basque bodices and full circular skirts. Coat dresses with side draperies. Dresses of heavy crepe de chine or Canton crepe, draped and paneled, some trimmed with gay color touches.

Poiret Twill Dresses Specially Priced \$6.75
Gay with brightly colored braiding and smartened with long-line pin tacking. Some models show the loose sleeve which is one of Spring's fashion features.

Men's All-Wool Suits With Two Pair of Trousers \$24.50
Good news, isn't it, when finances are perhaps at a pretty low ebb? Less than \$25 for a good-looking, well-tailored, all-wool suit is about all a man could ask; and more than he can get, usually.

Sale of Silk and Silk-and-Cotton Remnants Half Price
Half yard to four-yard lengths at 25c to \$1.50 yard. Good Wanamaker silks at just half their usual prices! Plenty of opportunities for extremely economical purchasing.

Holidays Are Shoe-Getting Days for Children
Wanamaker's Down Stairs Shoe Store has made special plans to have complete assortments of good sturdy shoes for children this week.

Men's All-Wool Overcoats Are \$25
Big, warm ulsterettes, made of soft, thick cheviot overcoatings or flannel woven jersey-like fabric which is not only particularly warm but nearly weatherproof.

Corsets and Elastic Girdles at \$1.50 Are Half Price
Some of them are less than half price, but every one in the group has been marked down to at least half its early season price. Prices have been so decidedly clipped because they are a bit soiled or handled, because the size assortment in any one style is broken, or because there are sometimes only one or two of a model.

Tan Lace Shoes, Special at \$2.75
Good sturdy ones with broad bands and full toes. Sizes 6 to 2. Tan Lace Shoes, \$3.90
Sensible for small girls and boys, 5 and 6 finger girls. Tan leather lace shoes on stout soles with flat heels with rubber top lifts. Sizes 8 to 11 and 11 1/2 to 2.

Something Cheery About Rag Rugs
New Hit and Miss Patterns 45c to \$10
