CURB LIST SPOTTY; CITIES SERVICE OFF

Durant Issues Shade Fractionally—Mining Stocks Fairly Active

New York, Dec. 27.—The curb market developed an irregular tone after the opening today with trading active in spots. British-American Tobacco moved a fraction to 20⅛, while Continental Can and Durant issues shaded off fractionally. Glen Alden reacted slightly on small offerings. Cities Service yielded 1½ and Maracaibo ½.

The Standard Oil shares were comparatively quiet, with only slight fractional changes.

Mining issues were fairly active within narrow limits.

$1,000,000 OFFERED FOR ARBUCKLE FILMS

Oscar Hammerstein's Son Offers to Buy Three Comedies

New York, Dec. 27.—Arthur Hammerstein, theatrical producer, and son of the late Oscar Hammerstein, operatic impresario, made an offer yesterday of $1,000,000 to the Famous Players-Lasky Corporation for the purchase of the three finished comedies by Roscoe Arbuckle, which are now lying on their shelves.

Pottsville, Pa., Dec. 27. — Roscoe Arbuckle has found one firm friend in Mayor J. O. Bearstler, of this city.

"There will be no ban on the exhibition of Arbuckle's pictures in this city, and I believe the people will go to see them in large numbers," the Mayor said yesterday. "I do not think we should make fish of one and flesh of another. I enjoy 'Fatty's' pictures. They are always clean, and I believe he has given more amusement to children and older people than any other screen artist, with the single exception of Charlie Chaplin."

CONVICTED MINER ESCAPES

Forfeits $15,000 Bail to Flee Ten-Year Term for Treason to State

Charlestown, W. Va., Dec. 27. — Walter Allen, union miner facing a ten-year prison term, following conviction on a charge of treason against the State, has fled from West Virginia and his bond of $15,000 has been forfeited, it became known here yesterday. Allen had been released on bail pending appeal to the Supreme Court.

Allen was trailed to Oklahoma City, but left there last week only two hours before a West Virginia officer arrived, it was said.

Allen was convicted in connection with the armed march of miners on Logan and Mingo Counties about a year ago.

MISSIONARY ILL IN CHINA

Sunbury, Pa., Dec. 27.—The Rev. Harry S. Leitzel, Methodist missionary to China, is critically ill of appendicitis, according to word received by his parents, Mr. and Mrs. R. J. Leitzel, of Shamokin Dam, yesterday.

N. Y. LANDLORD IS JAILED FOR NOT HEATING HOUSES

Kept Temperature at 57 for 72 Families This Winter

New York, Dec. 27.—Charged with failure to warm the homes of his seventy-two tenant families, Jacob Solotoroff, owner of four apartment houses, yesterday was sentenced to the Tombs for sixty days when he was unable to pay a $600 fine.

"It is apparent," Magistrate Simpson said, "that this defendant did nothing but wait until winter was upon to say that he cannot get coal now. The question is, did he make any effort when he first learned that there was going to be a coal shortage?"

Health Department inspectors testified that only seven tons of coal had been used for heating the homes of the seventy-two families this winter, and that a temperature of fifty-seven degrees, eleven degrees below temperature required by law, had been maintained.
