

The Centre Democrat.

BELLEVILLE PA. THURSDAY, OCT. 11, 1860.

W. W. BROWN, - - ASSOCIATE EDITOR.

FOR PRESIDENT. HON. ABRAHAM LINCOLN OF ILLINOIS.

FOR VICE PRESIDENT. HON. HANNIBAL HAMLIN OF MAINE.

PRESIDENTIAL ELECTORS. Senatorial: JAMES POLLOCK, THOMAS M. HOWE, Representative: EDWARD C. KNIGHT, ROBERT P. KING, HENRY BUNN, ROBERT M. FOSTER, NATHAN HILLS, JOHN M. BROWN, JAMES W. FULLER, LEVI B. SMITH, FRANCIS W. CHRIST, DAVID MUMMA, JR., DAVID PERRY, THOMAS H. ZULL, F. P. PENNINGTON.

GLORY ENOUGH FOR ONE DAY. Our whole ticket is elected in this county. Col. Curtin has 30,000 majority in the State and the full returns may reach 35,000.

Work on! American Republicans of Centre County one very important election is over—our glorious victory won. Our gallant standard bearer, Andrew G. Curtin, has been elected by an overwhelming majority.

The demand for Caps and Capes for Wide Awakes which has been created by the different political organizations that are springing up in every part of the country has tested the enterprise of manufacturing establishments, and the great manufacturing city of Philadelphia has again taken the lead in supplying the demand.

The result in Philadelphia is better than we expected, with all their effort to carry the city, with the Bell men to help them, with a half-million of money hurled in the canvass the democrats have only been able to carry the city by 1600.

Below will be found the majorities of Curtin and Hale in the townships heard from, in this county.

Table with 3 columns: Township, Curtin, Hale. Rows include Bellefonte, Mifflinburg, Boggs, Berenside, Curtin, Ferguson, Hallmon, Harris, Howard, Huston, Liberty, Patton, Spring, Snowsboro, Taylor, Walker.

Election Returns.

We give below the returns of the election as far as heard from.

Table with 3 columns: Name, Curtin, Foster. Rows include Dauphin, Blair, Huntington, Luzerne, Clinton, Philadelphia, Juniata, Allegheny, Montour, Union, Erie, Lancaster, Schuylkill, Franklin, Millin, Perry, Lebanon, Lycoming, York, Snyder, Bucks, Fulton, Armstrong, Westmoreland, Wyoming, Clearfield, Washington, Tioga, Chester, Pike, Columbia, Cambria, Cumberland, Northumberland.

Am I Giles or am I not? It strikes us that there used to be a party hereabouts that called itself Democratic, or something of that sort.

Lincoln and Hamlin on the Tariff.

Democratic orators, with their usual effrontery and disregard for truth, denounce Lincoln and Hamlin, as free trade men.

But, let us see how far this charge is true. Mr. Lincoln has always been a Tariff man. His record as a whig is clear on that subject.

Mr. Hamlin in accepting the nomination, endorses that resolution, and therefore stands before the country pledged to the policy it advocates.

Mr. Hamlin in accepting the Chicago nomination, accepted that resolution and heartily endorsed it in the following speech: "The objects desired by the Republicans in the pending election, and the obligations imposed upon our candidates, are to bring back the Government to the true principles of its fathers and founders."

THE EXECUTION OF GEN. WALKER.—CONVICTED OF THE MURDER OF ALEXANDER'S DEATH.—COL. RUDLER SENTENCED TO IMPRISONMENT.—THE BRITISH STEAM SLOOP-of-war Gladiator, arrived at the quarantine station on the 21st ult., where she still remains.

The detailed report of the party on board the Gladiator, adds but little to the information we already have. Gen. Walker was shot at eight o'clock on the morning of the 12th, and buried the same day in the public ground.

None of his friends were present at the execution, or even allowed to communicate with him after his capture. An American physician, who was with him, and Dr. Truxillo, witnessed the execution and afterwards assisted at his burial, the ceremonies of which were conducted by foreigners alone.

It is also stated that Gen. Walker, before his execution, wrote several letters to friends in the United States, which were taken by Gen. Alvarez, and by him handed over, sealed, to the English commander, to be forwarded to their destination.

Col. Rudler, Walker's second in command, has been sentenced to four years confinement in the State prison at Comayagua.

The rest of the party, about twenty in number, were all permitted to return to the United States, eleven of them, however, were sent home by way of Havana.

Of Walker's capture on the Rio Negro we have the following additional from an authoritative source. The party sent up the river was under the immediate command of Capt. Salmon, of the U.S. Army.

For the benefit of our business men we copy the following from the Williamsport Press: "The manufacture and sale of fire and thief proof chests has become a business of immense magnitude, and although unprofitable to the community, it is nevertheless a source of wealth to the manufacturer."

From Mexico. NEW ORLEANS, Oct. 7, 1860. By the arrival of the schooner Potomac, from Vera Cruz, we have Mexican dates to the 18th.

The whole subject of the condemnation of the bark Maria Concepcion, was referred to Madrid. The Spanish Minister had advised a conciliation of the Juarez Government.

Men who do and a Man who don't care whether Slavery is voted up or down.

In order to contrast the position of Mr. Douglas with that of the fathers of this country—those most active and influential in securing its liberties and founding its government—we propose to place their and his declarations side by side, that the reader may compare them, and judge which of the parties is right.

We hold these truths to be self-evident that all men are created equal; that they are endowed by their creator with certain inalienable rights, among which are life, liberty and the pursuit of happiness.

The particulars of another painful tragedy are published in the New York papers. The principal of the affair, a young woman named Josephine C. Lyon, was obliged to leave her father's roof in consequence of the efforts of the latter to make her husband discover her whereabouts and take her home, she determined to commit suicide rather than submit to such treatment.

FRUITS OF FUSION.—One hundred and twenty-four townships in Connecticut chose their municipal officers on Monday last.—Eighty-nine of them were carried by the Republicans, thirty-two by the Fusionists, two elected without regard to party, and one is divided.

It is currently rumored that the Dry Goods Committee do not purpose to spend much money on Connecticut this Fall.
