Suppress mobility and violence by electing Democrats to office? As well might you try to quench the fire by piling on straw, or to dry the ocean by pouring in water. Let the plains of Kansas speak. They will tell you of the law and order observed by Democrate. Let the forms of murdered men who were butchered in cold blood, because of a difference of opinion, testify. Let the blood of Broderick rise up and condemn them.—And at a still later period, but few weeks ago we have another example of their good conduct and peaceable principles in the murder of a Methodiet minister in Texas. And

"Southern Democratic Brothren" even now are threatening rebellion and bloodshed if the people see proper to elect Abs Lincoln. This looks very much as though you could make his bearing in the fluctuations of the following complaints, viz:

This machine is far superior to anything of the kind ever introduced into this county. It is simple of construction, and therefore durable. It saves labor, as any ordinary women can do a days washing, on this machine in less than three hours. No family should be without it. We have already disposed of a large number of machines and are pleased to learn, that they have proved to be even better than they were recommended. We would refer the cittless of Centre county to the following persons who have used the machine and have found it to be a great labor and braith saving institution.
