A correspondent of the Evening Bulletin, thus describes the recent launch of a barge, at Schuylkill Haven :

SCHUYLKILL HAVEN, Oct. 31st, 1860 .- A beautiful barge was launched a few days ago at Schuvlkill Haven of which Captain Martin Wagner is commander and owner. She has at present her first cargo on board, consigned to the city of Troy, New York. She is a capital craft, built by Wm. Saylor; she carries well, is a fine vescel, and is perfectly adapted to shipping of merckandise of every description. She has been peculiarly favored and honored with the name of our present esteemed incumbent elect, Governor A. G. Curtin, given her by Thomas Zulich, Esq., the worthy Collector of this port. Her beautiful fancy name, which appears well executed, and looks very imposing, was designed and lettered by John H. Guertler, Esq., an aged gentleman of this place, one of the Curtin Fencibles of Schuylkill Haven, and a person who displayed a very warm and decided interest in behalf of, and for the election of Col, Curtin. Re is much distinguished for bringing out novel and fancy designs in which he generally displays fine taste. With pen and ink, yery few can excel Mr. Guert-

A PROCLAMATION.

Fellow CITIZENS:—The revolutions of the year have again brought us to our annual festival of Thanksgiving to Almighty God. In no preceding year have we had more abundant cause for gratitude and praise.—The revolving seasons have brought with them health and plenty. The summer fruits and the autumn harvests have been gatherness. ed and garnered in unwonted exuberance. A healthful activity has pervaded all the de-partments of life; and provident industry has met with a generous reward. The increase of material wealth has been liberally employed in sustaining our Educational Religious Institutions; and both are making the most gratifying progress in enlightening and purifying the public mind. While, in Europe, central and absolute governments, by their pressure on personal rights and liberty, are producing excitements, which society, and have led, in some instances, to bloody and cruel wars, we, in the enjoyment of constitutional liberty, and under the pro-tection of just and equal laws, are peacefully pursuing the avocations of life, and engaging in whatever promises to advance our social and individual improvement and happiness. "The lines are," indeed, "fallen to us in pleasant places, and we have a goodly heritage." In all this we see the orderings of a kind and merciful Providence, which calls not only for our recognition, but for our public Thanksgiving and Praise.

Under this conviction, I. WILLIAM F. PACKER Governor of the Commonwealth of Pennsylvania, do hereby appoint

Thursday, the Twenty-ninth day of November next,
To be observed as a day of public Thanksgiv ing and Prayer, and recommend to all our people, to at setting aside, on that day, all spective places of worship, and unite in offer-ing Thanks to God for his manifold goodness, and imploring his forgiveness and the
