Bellef ontr, Jan., 2nd 1860. To my friends, in and out of the church, I return my sincerest and warmest thanks, for the substantial tokens of their regards, left by them at the Methodist Episcopal Parsonage, on last Christmas evening. I should consider myself as wanting in that feeling so becoming in those who have been the recipients of favor, were I not to notice, in this manner, the generous gifts conferred upon myself and family. The refined feeling, hearty good will, and prempt action, that characterized the movement throughout, are worthy of all commendation. These manifestations of kindness have a tendency to create good feeling, and strengthen the ties already existing, and there is lying back of these outward manifestations of good will a fountain of kindness, the streams of which. to my taste are inexpressibly sweet. It causes a man to think the better of his race, his nation and his church. Though we are now living in troublesome times, and our national standard is under the cloud, yet the true patriot and christian hopes, prays and believes that the cloud will soon pass away, and this great nation will continue to advance, till she has consumated the designs of Divine Providence, and as an humble minister of the Prince of Peace, whose mission into our world was a mission of "good will to men and glory to God in the highest," I for one will still pray that God may grant us peace and harmony within the Church, within the limits of Old Centre and within the boundaries of this, our dear old Commonwealth, and protect "our old flag' throughout the length and breadth of the great American Republic. The prayer of the patriot, of the christian and of all who
love our nation, ought to be

"God bless our Native Land,

"Bod bless our Native Land,

"God bless our Native Land,

Firm may she ever stand, Through storm and tide."

Again, my dear friends, except my thanks, and I feel that I cannot better express my good wishes than to use the language of the il'ustrious Paul, "that Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, may be able to comprehend, with all saints, what is the length and breadth, and depth and heighth, and to know the love of Christ, which passeth knowledge, that ye might be filled with all the fullness of God."

THOMAS SHERLOCK.

Our New Volume.

We this week publish the first number of volume twenty seven. Twenty-six years old ! This is quite a respectable age for a newspaper. It proves, at least, that the Democrat is none of your humbug papers which spring up and flourish long enough to get the money off the per ple, and then die out, but a permanent institution. It, then die out, but a permanent institution. It, like our Union, has stood many a storm and can stand many more. It is not to be crushed out easily. So long as it is the organ of a powerful party, and the advocate of cor- A very rect and glorious principles, we expect it will be supported, and flourish, diffusing light and knowledge throughout the land.

We intend to nurchase an entirely new of fice in a short time. In this, we want the co-operation of our patrons. If they will aid burden considerably, When we get our new type and press we will be able to give our patrons one of the neatest and most readable papers in the State. Let our friends send in their money and we will do our duty.

A Donation Visit.

On last Christmas evening, the friends of Rev. Thes. Sherlock, Pas tor of the M. E. Church, paid the parsonage a donation visit. At the time of the visit Mr. Sherlock and his family were at church. The friends entered the house and set out two tables which they covered with presents of eyery kind. A suit of clothes for Mr. Sherlock, a dress for his lady, a dress for his babe, flour, meat, vegetables, fowls, preserves, a purse of money and many other articles. The following note was left upon one of the tables:

Bellefonte, Dec., 25th 1860. REV. THOS. SHERLOCK,

Dear Pastor-As mark of our high appreciation of your services, as our Pastor and Preacher, we pray you to accept the accompanying contribu-

YOUR PEOPLE.

After having arranged every thing in order, the visitors retired. No doubt, upon returning to his house, Mr. Sherlock was very agreeably surprised to find his house containing such a large amount of the comforts and substantials of life.

New Instruments.
The Bellefonte Brass Band has purchased an entire sett of new instruments, manufactured by Allen & Hall, Boston. We think they are the finest looking instruments we ever saw. They have been well tried and have proved to be entirely satisfactory to the purchasers. This Band, which has now a good degree of fame as a musical organization, will now take a new start. They will give a concert in this place during the coming court week. The tickets have been printed and are being sold. Every body should attend.

We Want Wheat.

Will some of our friends, who are indebted to us, be kind enough to send us some wheat. We are in need of it immediately. We care not how many of our farmer friends pay us in this way. It is the same to us as cash, and if they would but think of it we would have wheat all the time. We hope te receive some immediately.

And Still they Come.

And when we say this we mean the presents from our friends. The other day Mrs. Comely, of Pleasant Gap, presented us with a pair of fine fat chickens, which made us a most delicious dinner. We are under obligations to the lady for her

Our Carrier desires to return his thanks to those patrons who kindly remembered him on New Year's day. By their kindness he was enabled to stuff his old purse to its utmost capacity.
