Neuralgic Affections, it has in numerous instances proved
highly beneficial, and in others effected a decided cure.
This is a purely vegetable compound, prepared on strictly
scientific principles, after the manner of the celebrated
Holland Professor, Berhave. Its reputation at home produced its introduction here, the demand commencing with
those of the Fatherland scattered over the face of this
mighty country, many of whom brought with them and
handed down the tradition of its value. R is now offered
to the American public, knowing that its truly wonderful
medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose
constitutions may have been impaired by the continuous us
of ardent spirits, or other forms of dissipation. Generally,
instantaneous in effect, it finds its way directly to the seat
of life, thrilling and quickening every nerve, raising up the
drooping spirit, and, in fact, infusing new health and vigor
in the system.

WORD TO THE PUBLIC.

Whereas the Spring Creek Woolen Manufactory, during the present season, has been patronized to the full extent of its. producing abilities, and in anticipation of a still graster patronage the coming, season, the proprietors have been induced to add more new machinery of the very latest improvements. This machinery will facilitate our operations very much and at the same time will improve the real value of out cloths at least ten per cent, while our prices shall remain as heretofore; it being our ambition to build up a reputation for this establishmen', that will add all things thereto. From the facts here n set forth we confidently believe that wool growers and all other good people can now deal with us very much to their own advantage.—While there are many things alike in business of While there are many things alike in business of this kind, there is also much that is different. A word to the wise is sufficient. Give us a call and word to the week is stateful. Give us a can satisfy yourselves that this is the place the people get the worth of their money.
