County Superintendent's Report. The follow-

dent to Hon. Thos. H. Burrows, Superinten. dent of the Common Schools of Pennsylvania, has been handed to us for publication. It contains many facts of interest to a great majority of our readers and gives them an opportunity of geeing what our Superintendent has been doing during the last month. We gladly give it a place in our columns, and beg leave to suggest to the Superintendent it be allowed to pass off rapidly, the quick that he send us a copy, each month, of his report :

HON. THOMAS H. BURROWS : Sir :- In accor-

repart for the month of February, 1861, is respectully submitted :

District Examinations - None this month. Examined since the commencement, 225 ; li or linen, hence its excellence as a fabric for censed, 191; annulled, 3.

Number of Schools Visited .- I have visited skin the year round, and find it a shield 48 schools this month-32 once, and 16 the second time-devoting a half day to the former, and about an hour to the latter; visiting 3 er 4 daily; preferring such as are on depend upon the constitution and employthe eve of closing.

Number of Institutes &c. Altended .- I attended 2 District Institutes, and 1 school exhibition, at which place I took occasion to address large audiences.

Whole Number of Days devoted to Official Duties.—I have devoted the whole time, ex-cept Sundays, to official duties.

Whole Number of Official Letters Written. spondents cannot be promptly attended to, an evening party." because I am seldom at hume.

Chief Difficulties Encountered. - The great- Gone to Conference. est hindrences to progress are, a want of uniform text books, a lack of interest on the part of some parents and directors in school affairs; the apathy of many teachers in attending Institutes, and the Saturday teaching still insisted op in a few of the districts.

New Measures Adopted to Improve the has labored faithfully in this community, and School .- I have endeavored to introduce moral instruction into every school, also compo-sitian, book-keeping, and better medes of teaching than those hitherto in use.

into the church.

Educational Meetings this Current Month. -None but the district Institutes and a few his labors, which will be of interest to our school exhibitions which I will not fail to atreaders : tend. I have made arrangements with Prof. Thomas, of Pine Grove; Prof. White, of Bellefonte, and Prof. Patterson of Bealsburg. to take charge of Normal classes this Sum-

My visits, this month, have been principally among the German Districts, and if I am permitted to judge by the marked respect which amounted to about eighty-five dol'ars ; and bospitality everywhere given nie, I have every rea on to believe that this class of cur and the Conference collection, amounting to about twenty dollars. citizens is no less favorable to eductaion and

the Superintendency than any other. The D-partment will be pleased to learn that our female teachers (22 in number) are ared and forty six members, and fifty probationers in the station. And that there doing well - giving ample evidence that they, too, own teach adults as well a small chilwere in the Sabbath School connected with the charge, twenty-five Officers and Teahers.

and about one hundred and seventy schelars, From the statistics before me I am conand a Library composed of some three hunvinced that at no time since the creation of and a Library the office of County Superintendent have the dred volumes. people been more reconciled with it than at present. I have not the vanity to a tribute this to any efforts I have made. Great Work on the Horse. AYER'S Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy gue of the following complaints: Scrofnla and Scrofnlous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Motches, Bolls, Blains, and all Skin Discases.

Blains, and all Skin Discusses. OAKLANG, Ind., 6th June, 1850. J. C. Ayar & Co. Gents: I feel it my duty to ac, nowledge what your Sursepurilla has done for me laving inherited a Scroluous infection. I have suffered roan it in various ways for years. Sometimes it berai ut in Ulers on my hands and srms; sometimes it arred inward and distressed are at the stomach. Two ears ago it broke out on my heid and covered my scalp and cars with one sore, which was painful and loathsome eyond description. I tried many medicines and several dystenas, but without much relief from any thing." In at, the disorder graw worse. At learch I was relieded physicianes, but without much relief from any thing.¹ In inet, the disorder grow worse. At length I was trojeced to read in the despel Messenger that you had prepared an alterative (Sarsquarilla), for I knew from your reputs-lion that any thing you made must be good. I sent to Cincinnatiand got it, and basil it fill it cured me. I took it, as you advise, in small does of a tenspoorful over a menth, and used almost three bottles. New and healthy skin soon began to form under the seedy ship, after a while fell off. My skip is now clear, and T know by my feelings that the dispess has your form any expansion. the feelings that the discuss has gone from my system. You can well believe that I feel what I am saying when I toll you, that I fold you to be one of the agestles of the age, and remain eyer gratefully. Yours, ALFRED B. TALLEY.

ALERED B. TALLEY. St. Anthony's Fire, Rose or Errsipelas, Tetter and Fall thought Scale Head, Mingworn, Sore Eyes, Dropsy. Ir. Roket M. Preble writes from Salen, N. Y., 12th Sept., 1559, that he has cured an invetrate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sursaparilla, and also a changerous Malignant Ergipelas by large doses of the same; says he cures the common Ergiptions by it constantly. Brouchocele, Goitre or Swelled Neck. Zelalon Slan of Prospect Texas, writes: "Three hole Zebulon Sloan of Prospect, Texas, writes : "Three bees of your Sarsaparilla curied me from a Geirg - a hi one swelling on the neck, which 1 has suffered fro er two years."

conservening on the heefs, spheric 1 has antered from over two years."

CONSTIPATION OR COSTIVENESS.

No one of the " many ills flesh is heir te" is so prevalent, so little undry has new is mere to is be gleated as Costiveness. Often originating in care-les-ness, or sedent ary habits; it is regarded as a slight disorder of too little consequence to excite anxiety, while in reality it is the precursor and anxiety, while in reality it is the precurs or and companion of many of the most fatal and danger-ous diseases, and unless early eradicated it will bring the sufferer to an untimely grav. Among the lighter ovils of which costiveness is the usual attendant are Headache, Colic, Rhoumatism, Foul Breath, Files and others of Jite nature, while a long train of frightful diseases, such as Malignans Fevers Abcesses, Dysentery, Di arthora, Dyspep-sia, Apoplexy, Eoilepsy, Paralysis, Hysteria, Hypochondriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the dis-eases named originate in Constipation, but take on an independent existence unless the cysts is frad-icate ed in an early stage. From all these consid-erations it follows that the disorder should receive immediate attention whenever it occurs, and en the first appearance of the complaint, as theit timely use will expel the indianous approaches of di seg destroy this dangerous foe to human life. di sea life,

There is no child because it was not a loaf; mu der his telling at this time what prices will be; but grandmother for the gold in her plugged filed up our paper so as to exclude the pub. there is no doubt that an effort is being made weth ; steal the screws of his fathers coffin, by eastern apeculators to control the market and reduce the rates as much as possible .-This has induced some of our lumbermen to held back their rafts, and unless there is a prospect of paying prices, it is quite probahle that a considerable quantity of the timber now on the river banks will not be moved at all. To-day it is storming and freezing hard. - Raftsman's Journal, March 6th.

The Oil Fever.

The oil fever is raging fiercely in all portions of the State. Companies are Godey for April. being formed in all quarters to engage in the oil business in the Wastern portion of our good old Commonwealth, and the people generally speak of the oil regions as a vast field day. There is, of course, a great deal exaggeration in many of these oil stories which we hear repeated daily ; it being such a smooth subject that the stories slip out very literature found in it is a recommendation to large, at times. There is a company in this county composed of some of our most reliable men, but we have not heard what they have realized from their endeavors, whether they have "struck ile" or not. We wish them abundant success in their enterprise.

Night School.

A night school is in successful Wanted. operation in our town at present, under di. rection of Miss Elizabeth Blakely, a well wintery winds whistle wrathfully without. about the machinery, when his hand was known and experienced teacher. lates the viral functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the no-cessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral. FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitts, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Discuse.

This is a remedy so universally known for surpass any other for the cure of threat and hung complaints, that is is necless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary discase, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, smoon them who have not some personal experience of its efficits— some living trophy in their mides of its victory over the subtle and dangerons disorders, of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the enres which have you as strongly upon the confidence of mankind. propriate to each. It Tells You all the various and most approved Prepared by Dr. J. C. AYER & CO., Lowell, Mass.
