DR MOTT'S CHALYBEATE RATIVE PILLS % IRON.

An apperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and perscribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexion indicate its necessity in almost every conceivable te its necessity in almost every conceivable

case its necessity in almost every conceivable case.

Innoxious in all meladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emanciation, Dyspepsia, Constipation, Diarrhoa, Dysente.y. Incipient consumption, Serofulous Tuberculosis, Salt Rheum, Miemenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fezers, Pimples on the Face, &c. In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which a description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborh ods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sangüineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In Nervous Appections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costivches without ever being

It is this latter property, among others which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness.

In unchecked DIARRHEEA, even when advanced to DYSENTERY, confirmed, emaciating, and apparently malignan'; the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances. In Scrofulous Tuberculosis, this medicated

In Scroftlous Turrellosis, this medicated iron has had far more than the good effect of the most cautiously balan ced preparations of iodine, without any of their well known liabilities.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illuess. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and

ady. Take Ayer's Fills, and cleanse out the disordered humors—purify the blood, and let the fluids move ou unobstructed in health again. They stimulate the functions of the body into vigorous as the obstructions which make structs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the vitrues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

Sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. Afre: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sorce upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Curtwright, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, SickHeadache, Foul Stomach.
From Dr. Edward Boyd, Baltimore.

Dram Bro. Aven: I cannot answer you what complaints
I have cured with your Pills better than to say all that we
ever treat with a puryative medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Pirisence, Pa., May 1, 1855.

DR. J. C. Airn. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two-of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,

Billous Disorders — Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their parpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilieux complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Sm: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their requiring action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhaa, Relax, Worms. Your Pills have had a long trial in my practee, and I hold them in estem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhau. Their sugar-scatting makes them wery acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

Prom Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Youre, J. V. HIMES. my friends.

NARSAW, Wyoming Co., N. Y., Oct. 24, 1845.

DEAR SIR: I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.
From Dr. J. P. Yaughn, Montreal, Cunada.
Too much cannot be said of your Pills for the cure of
costiceness. If others of our fraternity have found them
as efficacious as I have, they should join me in prodalming it for the benefit of the multitudes who suffer from
that complaint, which, although bad enough in itself, is
the progenitor of others that are worse. I believe contereness to originate in the liver, but your Pills affect that
organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural tion when wholly or partially suppressed, and all effectual to cleanse the stomach and expel worms, are so much the best physic we have that I reson no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Gu., Jan. 6, 1856.

HONORED Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackensie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.
DR. ATER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me Dr years.

As Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incutious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Sold by J. Harris & Co., Bellefonte; J.
