This is a purely vegetable compound, prepared on strictly
scientific principles, after the manner of the celebrated
Holland Professor, Buerhave. Its reputation at home produced its introduction here, the demand commencing with
those of the Fatherland scattered over the face of this
mighty country, many of whom broughs with them and
handed down the tradition of its value. Be is now offered
to the American public, knowing that its truly wonderful
meticinal virtues must be acknowledged.
It is particularly recommended to those persons whose
constitutions may have been impaired by the continuous use
of arden't spirits, or other forms of dissipation. Generally
instantaneous in effect, it finds its way directly to the seat
of life, thrilling and quickening every nerve, raising up the
dropping spirit, and, in fact, infusing new health and vigor
in the system.

NOTICE.—Whoever expects to find this a beverage will
be disappointed; but to the sick, weak and low spirited, it
will prove a grateful aromatic cordial, possessed of singular
remedial properties. Merchant Tailor.

CATHARTIC PILLS. Are you sick, feeble, and omplaining? Are you out of complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symp-toms are often the prelude to serious illness. Some fit of sidenass is greening.

AYER'S

Headache, SickHeadache, Foul Stomach

Billious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pay pose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilistic conplaints than any one remedy I can mention. I sincerely rejoice that we have at length a purguitive which is worthy the confidence of the profession and the people.

Department of The profession and the people.

Department of The Intentor, Washington, D. C., 7th Feb., 1856.

Sin: I have used your Fills in my general and hospital practice over since you made them, and calinot his slate to say they are the best cathartie we employ. Their requesting action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALIA, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhora, Relax, Worms,
From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best apericants I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small does for bilious dysentery and diarrhora. Their sugar-conting makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the stood.
From Rec. J. V. Himes, Rustor of Advent Charch, Boston.
Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best reasedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropay, Paralysis, Fits, etc.

From Dr. J. P. Acaylan, Montreal, Canada.

Too much cannot be said of your Pills for the cure of coticeness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who saffer from that complaint, which, although bad enough in fiself, is the progenitor of others that are worse. I believe contenues to originate in the liver, but your Fills affect that organ and cure the disease.

I find one or two large doses of your Pills, taken at the proper time, are excellent propositives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the simucch and expel norms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVARINHO, GA., JAIR. 6, 1856.

HONORED SIR.; I should be ungrateful for the relief
your skill has brought jue if I did not report my case to
you. A cold settled in my limbs and brought on excrecating neuraging pains, which ended in chronic whenevatime. Notwithstanding I had the bash of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackeuzie, I tried your Pills. Their cifects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1856.

DR. Aven: I have been entirely currel, by your Pills, of Recumatic Gout—a painful disease that had utilisted me or years, VINOENT SLIDELL.

AS Most of the Pills in market contain Mercury, which, although a valuable remedy in skilled hands, is dangerous in a public pill, from the decadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

From Dr. E. W. Curtwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are nild, but very certain and effectual in their action on the lowests, which makes them invaluable to us in the daily reatment of disease.

Headache, Sick Headache, Foul Stomach From Dr. Elivard Boyd, Baltimore.

Dean Bro. Ayer: I cannot answer you what complaint I have cared with your Fills better than to say all that we ever treat with a pury gainey medicine. I place great dependence on an effectual cathartic ir my daily contest with disease, and believing as I do that your Fills afford us the best we have, I of course value them highly.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two for your Fills. It seems to arise from a foul stomach which they cleanse at once.
