The peo-ple of the country are constantly being hum, bugged by some rascal who passes himself off for a "cure all or charge nothing," The last and greatest of these "bugs" visited our town this week, the world renowned Dr. Bort. He advertises himself as able to cure the various diseases of the eves, ears and lungs. If we may be allowed to judge of his ability by his conduct, we would pronounce him able to drink more liquor, and swear more hard otths than any man we have seen lately. And certainly a man whose brain is affected by bad liquor is not the person to

In the condition which Dr. Bort was several times when we saw him we don't believe he could have distinguished the finest surgical instrument from a broad-axe or a box of pills from a half bushel of corn. A few weeks ago he sent us five hundred bills to distribute throughout the count ty, to advertise his coming. We did so, faithfully, supposing bim to be an honest man —
