THE WORLD .-

Truths.

AN Independent Daily, Semi-Weekly, and Weekly Newspaper, for National Circulation and Family Reading. THE WORLD is an imperial quarto journal, published in the city of New York, aiming to be, in respect to all objects which truly belong to the province of a secular journal, the First Newspaper in America. Not assuming or seeking to be a preacher of religious doctrine, but recognizing in all its judg-ments on the practical affairs of life, the authority and efficacy of Christian Principle and Christian Truths.

Fruths. All the news will be found in its columns, in wery department of human activity, Political, Ag-icultural, Scientific, Commercial as well as in Lit-

real real, Scientific, Commercial as well as in Lit-erature, Science, and Art. Is all that concerns mental and moral progress and culture it will be first and foremost. Reli-gious and Educational Topics and News, there-fore, will receive special attention, and also all New Publications, Inventions, Discoveries, and Works of Art. The Foreign and Domestic Cor-respondence af THE WORLD is unequalled; not from the North alone, but from the South, East, and West. In every state it has a regular paid correspondent, always a resident of character and position. In Great Eritain, France, Germany, Italy, Turkey, Syria, Chine, Japan, South Amer-ca, and Africa, we have paid resident correspon-dents.

In politics THE WORLD will be independent, but never neutral ; never lending itself to party service, but helping the good and exposing the bad in all parties. National, on the side of the Union, the Constitution, and the Laws, and up-holding also the "Doctrine of the Fathers." To the Capitalist, the Merchant, the Mechanic, the Farmer, no paper offers such inducements and in-terest. For each department it has a special ed-itor-Agricultural, Horticultural, Scientific, Lit-eary, Political, etc., etc., etc., etc., and so reflects in its columns the last and best results of the lift, and work of the worlp. To the Farmer, its Proe-vision and Market Reports alone are worth the price of the paper.
